b a penalty imposed;

c both a finding and a penalty;

d procedural irregularities of a Technical Delegate hearing.

17.5 The appeal is not by way of a re-hearing of the evidence. It is limited to a review of the decision of the Technical Delegate to ensure compliance with the Regulations, Code of Conduct Guidelines and principles of natural justice.

17.6 No fresh evidence shall be presented to the Appeal Jury without its approval. If approval is sought to present fresh evidence, particulars of such evidence and the reasons why it was not presented to the earlier decision-maker must also be included in the written notice of appeal.

17.7 The parties are entitled to make oral representations to the Appeal Jury at the hearing.

17.8 The Appeal Jury may conduct the hearing in such a manner and at such time and in such a way as it considers desirable and / or suitable. This may include holding the hearing by video link or any other appropriate form of communications technology. If any party fails to attend the hearing, the Appeal Jury may proceed in the absence of that or any other party.

17.9 The Appeal Jury must publish a decision in writing. A copy must be provided to the FIH Representative, FIH Event Director and the Technical Delegate; it must be published as soon as possible but not later than two hours before the start of the next match in which the individual or team that is the subject of the Appeal is due to participate. Wherever possible, the Chair of the Appeal Jury which heard the case should orally notify the decision to the Team Manager or official concerned immediately after making the decision.

f to make an order for payment of costs.

17.13 If the Appeal Jury decides, whether or not it allows the appeal in whole or part, that any period of suspension or other penalty may or ought to include the imposition of a suspension that affects matches or otherwise should take effect beyond the conclusion of the tournament, the Appeal Jury must, within 3 days, give written notice of its decision to the FIH Director General, who will refer it to the FIH Disciplinary Commissioner to decide on any further period of suspension or other penalty to be imposed.

17.14 At events where an FIH Representative has not been appointed, any appeal against a decision of a Technical Delegate must be communicated to the FIH Director General, who will refer it to the FIH Disciplinary Commissioner. The procedures in articles 15.10, 17.2 and 17.3 must be followed. As it may not be possible for the FIH Disciplinary Commissioner to reach a decision on any appeal within the timeframe in article 17.9, any decision of the Technical Delegate will stand until the FIH Disciplinary Commissioner has considered the appeal.

18 ANTI - DOPING

18.1 As a pre-condition of their participation in specified FIH International Events, all players must have undertaken an Anti-Doping education programme prior to the commencement of the FIH International Event (if not completed within the preceding 24 months). Each National Association is free to choose which education programme is most suitable for its players, such as the World Anti-Doping Agency's on-line course ALPHA, or a National Anti-Doping Organisation / Regional Anti-Doping Organisation organised training.

18.2 All Anti-Doping tests will be carried out in accordance with the World Anti-Doping Code and the FIH Anti-Doping Rules relevant as at the first playing day of the tournament.

18.3 All matches are subject to Anti-Doping tests as the FIH may direct.

18.4 Team Managers will be advised about Anti-Doping test procedures at the Event Briefing meeting.

18.5 Any player may be the subject of an Anti-Doping test after a match even if that player has remained on the team bench throughout the match. A player may be the subject of more than one Anti-Doping test during the competition.

18.6 A player selected for an Anti-Doping test may not take a shower, bath, ice-bath or similar before providing a urine/blood sample which meets the requirements in the International Standard for Testing.

19.3 If circumstances in relation to a wider event matter arise which are not provided for in these Regulations, the FIH Director General or their designee will determine any actions and follow the FIH Crisis Communications procedure as appropriate.

- no points to the loser.

2 In each pool, teams will be ranked according to the number of points each has accumulated in the competition.

a If at the end of the pool matches two or more teams have the same number of points for any place in a pool, these teams will be ranked according to their respective number of matches won.

b If there remains equality among two or more teams, then these teams will be ranked according to their respective goal difference (which means “goals for” less “goals against”). A positive goal difference always takes precedence over a negative one.

c If there still remains equality among two or more teams, then these teams will be ranked according to their respective number of “goals for”.

d Should there still remain equality among two teams, then the result of the match played between those teams will determine the ranking of the tied teams.

i A ranking will then be established based upon the results of the round of the Challenge Shoot-out competition only, with the award for each play of 3 points to the team having scored the highest number of goals, 1 point to each team having scored an equal number of goals and 0 points to the team having scored the lowest number of goals.

j If equality remains then teams having an equal number of points shall be ranked according to paragraphs 2.2.a, b, c and d as applied to goals recorded during the Challenge Shoot-out competition.

k If an equal position of three (or more) teams still remains thereafter, then the same procedure shall be repeated until the teams can be ranked. The Technical Delegate shall make a draw to establish each sequence of play if such further rounds of Challenge Shoot-outs are required.

6 All persons listed on the Match Report other than any player who has been excluded permanently (red card) during the match which leads to the Challenge Shoot-out competition are permitted to enter the field of play outside the half used for the Challenge Shoot-out but must be at least 15 metres from the spot where the ball is placed at the start of the Challenge Shoot-out.

7 The goalkeeper of the team taking a Challenge Shoot-out must stand on the back-line near the corner of the pitch.

8 A player taking or a goalkeeper defending a Challenge Shoot-out may enter the quarter area for that purpose.

9 Players taking a Challenge Shoot-out and also defending those taken by their opponents are allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put back on their protective equipment.

10 Three players from each team take a Challenge Shoot-out alternately against the goalkeeper of the other team making a total of 6 Challenge Shoot-outs.

11 Taking a Challenge Shoot-out:

a the ball is placed on the quarter-line ;

b an attacker stands behind the ball;

c the defending goalkeeper must stand with both feet on or behind the goal-line;

d the Umpire signals to the technical table that the time may start;

e an official at the technical table starts the clock which automatically issues an audible signal;

f the attacker and the goalkeeper may then move in any direction;

g if either the attacker or goalkeeper / defending player start the process of the challenge before the umpire has blown the whistle, the shoot-out is reset;

h the Challenge Shoot-out is completed when:

i 6 seconds has elapsed since the starting signal;

ii a goal is scored;

iii the attacker commits an offence;

iv for any unintentional offence by the defending goalkeeper against the player taking the challenge, the challenge is taken again

v for any intentional offence by the defending goalkeeper against the player taking the challenge, a penalty stroke is awarded;

vi if a penalty stroke is awarded as specified above, it can be taken and defended by any eligible player on the Match Report subject to the provisions of Articles 14, 15 and 16 of this Appendix;

vii the ball goes out of play over the back-line or side-line; this includes the goalkeeper intentionally playing the ball over the back-line.

12 The team scoring the most goals (or ahead by more goals than the other team has untaken Challenge Shoot-outs available) is the winner.

13 A player may be suspended by red card but not by a yellow card during the Challenge Shoot-out competition.

14 If during a Challenge Shoot-out competition a player is suspended by a red card:

a that player takes no further part in that Challenge Shoot-out competition and, unless a goalkeeper, cannot be replaced;

b the replacement for a suspended goalkeeper can only come from the three players of that team nominated to take part in the Challenge Shoot-out competition:

i the replacement goalkeeper is allowed reasonable time to put on protective equipment similar to that which the goalkeeper they are replacing was wearing;

ii this player is allowed reasonable time to take off their protective equipment to take their Challenge Shoot-out and subsequently to put it on again.

c any Challenge Shoot-out due to be taken by a suspended player is forfeited; any goals scored by this player before being suspended count as a goal.

15 If during a Challenge Shoot-out competition, a goalkeeper is incapacitated:

a that goalkeeper may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded in this Appendix or unless suspended by an Umpire during the Challenge Shoot-out competition;

b if a team has another goalkeeper on the Match Report for that particular match, that goalkeeper replaces the incapacitated goalkeeper;

c if there is not another goalkeeper on the Match Report for that particular match the replacement goalkeeper:

i is allowed reasonable time to put on protective equipment similar to that which the incapacitated goalkeeper was wearing;

ii if this replacement is also nominated to take a Challenge Shoot-out, this player is allowed reasonable time to take off their protective equipment to take their Challenge Shoot-out and subsequently to put it on again.

16 If during a Challenge Shoot-out competition, an attacker is incapacitated, that attacker may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded above or unless suspended by an Umpire during the Challenge Shoot-out competition.

17 Any replaced player (defender or attacker) takes no further part in the Challenge Shoot-out competition.

18 If an equal number of goals are scored after each team has taken three Challenge Shoot-outs:

a a second series of three Challenge Shoot-outs is taken with the same players, subject to the conditions specified in this Appendix;

b the sequence in which the attackers take the Challenge Shoot-outs need not be the same as in the first series;

c the team whose player took the first Challenge Shoot-out in a series defends the first Challenge Shoot-out of the next series;

d when one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of Challenge Shoot-outs, not necessarily being all three Challenge Shoot-outs, that team is the winner.

19 If an equal number of goals are scored after a second series of three Challenge Shoot-outs, additional series of Challenge Shoot-outs are taken with the same players subject to the conditions specified in this Appendix:

a the sequence in which the attackers take the Challenge Shoot-outs need not be the same in any subsequent series;

b all eligible players from each team must take a Challenge Shoot-out before any one of them can take another; any Challenge Shoot-out due to be taken by a suspended player is forfeited;

c the team which starts each Challenge Shoot-out series alternates for each series.

20 Unless varied by this Appendix or Appendix 1, the Rules of Hockey5s and the Rules of Hockey apply during a Challenge Shoot-out.

1. PURPOSE, SCOPE AND APPLICATION

1.1 The International Hockey Federation (FIH) is recognised by the International Olympic Committee as the sole ultimate governing body for the sport of Hockey throughout the world and the *Code of Conduct* is adopted and implemented as part of FIH's continuing efforts to preserve the integrity of the sport of *Hockey*.

1.2 The *Code of Conduct* aims to promote the highest standard of behaviour and conduct in the administration, coaching and playing of hockey and is an effective means to deter any *Participan*t from conducting themselves improperly both on and off the field-of-play or in a manner that is contrary to the spirit of hockey.

1.3 Unless otherwise indicated, words in italicised text in the *Code of Conduct* are defined terms and their definitions are set out in Article 3.

1.4 All *Participants* are automatically bound by and required to comply with all of the provisions of the *Code of Conduct*. Accordingly, by their participation in a *Match* or an *International Event*, such *Participant* shall be deemed to have agreed that it is their personal responsibility to familiarise themselves with all of the requirements of the *Code of Conduct*, including what conduct constitutes an offence under the *Code of Conduct*.

1.5 The National Association of each participating team is responsible for informing and educating *Participants* about the *Code of Conduct*. National Associations shall share liability with *Participants* should breaches of the *Code of Conduct* occur.

1.6 All *Participants* are bound by the *Code of Conduct* at all times and shall continue to be bound by and required to comply with the *Code of Conduct* until they have not participated in an *International Event* during the *Applicability Period*. 1.7 The Technical Delegate has jurisdiction to deal with breaches of the *Code of Conduct* during the tournament (unless the Technical Delegate is in breach, in which case, the matter will be dealt with by the *FIH* Director General). After the *International Event* has been completed and at all other times, any breaches of the Code of Conduct shall be dealt with by the *FIH* Director General, who may refer matters to the *FIH Disciplinary Commissioner* for a decision, if appropriate. Breaches of the *Code of Conduct* by FIH Representatives and staff shall be dealt with in accordance with FIH Staff Procedures.

1.8 Further information about the application of the *Code of Conduct*, appeal process, Guidelines on Sanctions and the Process for Hearing and Determining Any Reported Offence is contained in FIH Tournament Regulations.

APPENDIX 11

FIH CODE OF CONDUCT – GUIDELINES TO TECHNICAL DELEGATES ON PROCESS FOR HEARING AND DETERMINING ANY REPORTED OFFENCE

1 THE REPORT

All reports of any offence against the FIH Code of Conduct shall be made to the Technical Delegate.

The Technical Delegate is to determine the level of the offence.

A report can be received by the Technical Delegate from any person but if received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must exercise a discretion to accept such a report. That discretion is to be exercised taking into account the seriousness of the reported behaviour and the reason for the delay in making the report.

2 PRINCIPLES OF NATURAL JUSTICE

The principles of natural justice apply in the following way.

The Technical Delegate will advise the Team Manager of

- the fact of the report of an offence;
- the identity of the team member(s) reported;
- the level of the offence;
- the time and place of the hearing;
- details of the conduct and the mode of proof of it;
- if the report was received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must state the reasons for the exercise of the discretion to accept the report. No appeal from the exercise of that discretion is available.

3 THE HEARING

Should the Technical Delegate accept the report and decide to hold a hearing, such hearing must be held as soon as possible after receipt of the said report.

If an offence occurs less than 24 hours before the end of the tournament, a hearing can be held, via electronic means, not more than seven (7) days after the end of the tournament. Following such a hearing the Technical Delegate must give written notice of the decision to the FIH Director General as set out in Regulation 15 above.
The Technical Delegate must chair the meeting (subject to delegation for reason of conflict of interest).

The hearing must be attended by the person the subject of the report and one representative if they desire (in addition the person the subject of the charge may be assisted by an interpreter).

The Technical Delegate must outline the evidence relied on to support the report including showing any video footage.

The team member is to be asked for their response to the report, ie do they accept the offence charged or not. The team member must be permitted to present material as to either or both of the fact of the offence or penalty.

Should the person who is the subject of the report fail to attend the hearing, the hearing shall take place in the absence of that person and the fact of the failure to attend shall be taken into account in the determination of the appropriate penalty in the event that an offence is found to have been committed.

4 THE DECISION

The decision should be in writing and read to the person the subject of the report by the Technical Delegate (through an interpreter if necessary). It should deal (at least) with the following matters:

a whether or not the team member accepts the breach of the Code of Conduct;

b if the team member does not accept the breach, a finding as to whether a breach has occurred and why.

Should it be found (or agreed) that an offence has been committed either the minimum penalty will be imposed or, at the entire discretion of the Technical Delegate, a greater penalty. If a greater penalty is being considered then:

a the disciplinary history of the team member;

b the attitude of the team member at the hearing;

c any penalty already incurred, eg if a card was given during the match the length of time of any suspension served under that card;

d the seriousness of the offence by comparison with other offences at this level

will be taken into account by the Technical Delegate in imposing a greater penalty and details of which will be set out in the written decision.

5 DEFINITION OF THE PENALTY

A clear definition of the penalty will include:

a the number of matches for which the team member is suspended;

b the date of commencement of the suspension;

c a statement whether, in the view of the Technical Delegate, any additional period of suspension or other penalty to take effect beyond the conclusion of the tournament should be imposed or may be appropriate; and, if so

d a statement that the decision to impose any further suspension or penalty is referred to the FIH Director General for further consideration by the FIH Disciplinary Commissioner; and

e a summary of the Technical Delegate's reasons that may justify the imposition of an additional suspension or other penalty.

APPENDIX 12

FIH MEDIA POLICY

1 PURPOSE, SCOPE AND APPLICATION

1.1 The International Hockey Federation (*FIH*) is recognised by the International Olympic Committee as the sole ultimate governing body for the sport of *Hockey* throughout the world.

1.2 The Policy aims to assist in the management of the relationship between the accredited media covering *International Events* and *Participants*. Crucially, this *Policy* also assists in maximising and enhancing the social media coverage of *International Events* to help achieve *FIH's* purpose.

1.3 Unless otherwise indicated, words in italicised text in the *Policy* are defined terms and their definitions are set out in Article 4 of this policy.

1.4 All *Participants* are automatically bound by and required to comply with all of the provisions of the *Policy*. Accordingly, by their participation in a *Match* or an *International Event*, such *Participants* shall be deemed to have agreed that it is their personal responsibility to familiarise themselves with all of the requirements of the *Policy* and acknowledge non-compliance with the *Policy* may result in disciplinary action being taken against them.

1.5 While this *Policy* sets out general guidelines and minimum requirements, *FIH* reserves the right to apply flexibility whenever needed, for the benefit of all parties, and to modify them following consultation with the *Participants*.

1.6 The *National Association* of each participating team is responsible for informing and educating *Participants* about the *Policy* and ensuring that each *Participant's* media (and social media) activity prior to, during and after the *International Event* is in accordance with the *Policy* and does not bring the name of the *FIH* and sport of *Hockey* into disrepute.

1.7 Each Participant acknowledges the importance of communicating and cooperating with the media in order to enhance the image of *International Events*. The Policy applies to all *Participants* for the duration of the *International Event* (from the start of the *Outward Journey* until the conclusion of the *Homeward Journey*).

1.8 The Code of Conduct came into full force and effect at FIH level on 1 May 2016 (the Effective Date) and superseded the previous Code of Conduct as from that date. It may be amended from time to time by FIH.

2. MEDIA ACTIVITIES

2.1 *Participants*, and in particular, Captains and Coaches shall participate in media conferences / briefings.

2.2 *Participants* shall participate in media activities. Media activities may vary from each *International Event*, but shall include training sessions, photo opportunities, media conferences / briefings and interviews. Still and moving images from these media activities may be used for promotional and broadcast production.

2.3 *Participants* shall take part in promotional video shoots or other similar activity as may be reasonably required by *FIH*. These may be scheduled on non-match days.

d these cameras will provide vision only; there will be no audio

e the maximum usage is specified below, however not all shots will be used for each *Match*.

f use of the shots will be determined by the Host Broadcaster for each *Match*

g shots from changing room cameras may only be used at the following times:

i a single shot may be transmitted from each changing room on a delayed basis as part of a pre-recorded sequence showing the team arriving at the venue, exiting the bus, moving into the tunnel area and entering the changing room. It will be a wide shot of the team entering the changing room moving to and placing their gear in their respective positions

ii a single shot from each changing room of a maximum of 20 seconds may be transmitted live between 8 and 10 minutes before the start of a *Match*. These shots should show the final team huddle / interaction prior to leaving the changing room

iii during half-time a single shot from each changing room for a maximum of 20 seconds may be transmitted live at a specified time

iv subject to prior agreement with each individual team, a maximum of 2 shots post *Match* from each changing room may be recorded and broadcast on a delayed basis. These will be a maximum of 20 seconds duration each. Agreement on the use of these shots can be reached based on results (eg it may be agreed that these shots are not used if a team loses a Match)

2.7 *Participants* may receive requests for half-time interviews, however these are subject to agreement by the respective Team Management and *FIH*.

2.8 A compulsory post-Match Mixed Zone or equivalent will be in operation following all *Matches*. It will be managed by FIH and is designed for brief commentary on the *Match,* not detailed interviews. The Mixed Zone, or its equivalent, is a managed area where the accredited media have the opportunity to interview players and coaching staff as they leave the Match Venue. Players and coaching staff are separated from the media by means of suitable barriers. The Mixed Zone opens following the end of the *Match*. Written press will have priority in terms of access to players and coaches in the Mixed Zone. This is followed by TV and radio rights holders and finally broadcast non-rights holders. All players and coaches should leave the Match Venue through the Mixed Zone, unless otherwise agreed by the FIH Event Director.

2.9 *Participants* will be required to give compulsory flash interviews:

a at half-time (either at the start or at the end of the half-time)

b within one (1) minute of the end of a Match / Shoot-out, unless it is deemed unreasonable to do so by the FIH Event Director

c the captains of the two teams shall attend one world feed interview on the field or in close proximity of the changing room immediately after the end of the Match / Shoot-out and prior to returning to the changing room

d each interview will be conducted in English by the Host Broadcaster's reporter (player's mother tongue is also an option, provided that an interpreter is available for immediate translation)

e *FIH* may put in place a process to select a Player of the Match for each *Match; i*f this happens the Player of the Match will conduct a flash interview after the final whistle / Shoot-out and prior to returning to the changing room

2.10 *Participants* shall participate in a Highlights Show, by providing an interview and / or commentary, which will broadcast after the conclusion of the world feed.

3.1 *Participants* consent to be filmed, televised, photographed, identified and / or otherwise recorded during *International Events*, and that their captured or recorded images, together with their name, likeness, voice, performance and biographical information, may be used in any content, format and through any media or technology whether now existing or created in the future, by the *FIH* and third parties authorised by the FIH during and after an *International Event* in perpetuity in relation to the promotion of the *International Event*, the sport of *Hockey* and the *FIH*, in a commercial or non-commercial manner

3.2 The copyright of footage and photographic images produced by *FIH* and third parties remains with the *FIH*. Written permission from *FIH* must be given for any *Participant* or third party to use the footage/images.
