SAFEGUARDING POLICY

With effect from 8 November 2019

INTRODUCTION

Consistent with the objectives and principles of the FIH, everyone has the right to participate in a safe and respectful Hockey environment, whether they are an athlete, coach, official, staff or a volunteer.

The FIH is committed to promoting a non-violent and supporting environment for all its members in Hockey and has developed and adopted this Policy to set forth the efforts it will undertake to promote a safe Hockey space.

All forms of harassment and abuse are prohibited under the FIH Integrity Code¹ and the IOC Code of Ethics² and will not be tolerated by the FIH:

Article 7.4 FIH Integrity Code

Safeguarding the dignity of the individual is fundamental. All forms of harassment (including physical, verbal, mental or sexual) are prohibited.

1. Purpose

This Policy aims to:

- Provide a framework for safeguarding the wellbeing of all participants of Hockey;
- Clearly define harassment and abuse and raise awareness; and
- Set out how harassment and/or abuse can be reported.

2. Definitions

2.1 Harassment and Abuse

Harassment and Abuse can be expressed in different forms which may occur in combination or in isolation.³

These forms of abuse are defined as:

- (i.) **Psychological Abuse** – any unwelcome act including confinement, isolation, verbal assault, humiliation, intimidation, infantilization, or any other treatment which may diminish the sense of identity, dignity and self-worth.
- (ii.) **Physical Abuse** – any deliberate and unwelcome act – such as for example punching, beating, kicking, biting and burning – that causes physical trauma or injury. Such act can also consist of forced or inappropriate physical activity (i.e., age - or physique - inappropriate training loads; when injured or in pain), forced alcohol consumption, or forced doping practices.

(iii.) **Sexual Harassment** – any unwanted and unwelcome conduct of a sexual nature, whether verbal, non-verbal or physical. Sexual harassment can take the form of sexual abuse.

(iv.) **Neglect** – within the meaning of this Policy means the failure of a coach or another person with a duty of care towards the Covered Individual to provide a minimum level of care to the Covered Individual, which is causing harm, allowing harm to be caused, or creating an imminent danger of harm.

Harassment and abuse can be based on any grounds including race, religion, colour, creed, ethnic origin, physical attributes, gender, sexual orientation, age disability, socio-economic status and athletic ability. It can include a one-off incident or a series of incidents. It may be in person or on-line.

Harassment and abuse often result from an abuse of authority, meaning the improper use of a position of influence, power or authority by an individual against another person.
