15.9 If a team involved in a protest wishes to appeal the decision of the Technical Delegate resulting from any protest under these Regulations, the Team Manager(s) must give written notice to the Technical Delegate within sixty (60) minutes after the Technical Delegate's decision is published. If no such appeal is lodged, the decision of the Technical Delegate is final.

15.10 If an appeal is lodged, the Technical Delegate must immediately inform the FIH Representative and FIH Event Director, if present. For tournaments in which there is no FIH Representative see Article 17.14 (below).

16 APPEAL JURY

16.1 At the FIH Indoor Hockey World Cup, FIH will appoint an Appeal Jury.

16.2 At Continental Federation tournaments which are qualifying tournaments for the FIH Indoor Hockey World Cup, an Appeal Jury shall be appointed by the Continental Federation and advised to the FIH.

16.3 An Appeal Jury shall consist of a minimum of three persons and a maximum of five persons.

16.4 Any person who has taken part in any previous proceedings relating to the matter under appeal must not be appointed to a particular Appeal Jury.

16.5 Reasonable steps should be taken to ensure that at least one member of an Appeal Jury for a particular hearing has played international senior hockey

17 APPEALS

17.1 An individual or a team may lodge an appeal against:

a a decision by a Technical Delegate to suspend a player, team, team official or other official;

b a decision of a Technical Delegate following a protest.

17.2 An appeal may not be lodged for consideration by an Appeal Jury in respect of any decision of the Technical Delegate unless the decision appealed against is in respect of a suspension or other penalty imposed to have effect during the remainder of the tournament. Where the decision appealed against is in respect only of a period of suspension or other penalty that may take effect after the conclusion of the tournament, a written notice of appeal must be given, within 3 days of the Technical Delegate's Decision being published, to the FIH Director General, who will refer it to the FIH Disciplinary Commissioner.

17.3 A deposit of five hundred Euros (€500) (or equivalent in freely convertible currency) must be paid if the appeal is against a decision by a Technical Delegate to suspend a player, team or team official; the deposit must accompany the written notice of appeal.

17.4 The written notice of appeal must contain a statement outlining the grounds of appeal and indicating whether the appeal is against:

a a finding;

b a penalty imposed;

c both a finding and a penalty;

d procedural irregularities of a Technical Delegate hearing.

17.5 The appeal is not by way of a re-hearing of the evidence. It is limited to a review of the decision of the Technical Delegate to ensure compliance with the Regulations, Code of Conduct Guidelines and principles of natural justice.

17.6 No fresh evidence shall be presented to the Appeal Jury without its approval. If approval is sought to present fresh evidence, particulars of such evidence and the reasons why it was not presented to the earlier decision-maker must also be included in the written notice of appeal.

17.7 The parties are entitled to make oral representations to the Appeal Jury at the hearing.

17.8 The Appeal Jury may conduct the hearing in such a manner and at such time and in such a way as it considers desirable and / or suitable. This may include holding the hearing by video link or any other appropriate form of communications technology. If any party fails to attend the hearing, the Appeal Jury may proceed in the absence of that or any other party.

17.9 The Appeal Jury must publish a decision in writing. A copy must be provided to the FIH Representative, FIH Event Director and the Technical Delegate; it must be published as soon as possible but not later than two hours before the start of the next match in which the individual or team that is the subject of the Appeal is due to participate. Wherever possible, the Chair of the Appeal Jury which heard the case should orally notify the decision to the Team Manager or official concerned immediately after making the decision.

17.10 The decision of the Appeal Jury is final and binding on all parties concerned.

17.11 Notwithstanding the test set out in Article 17.5, the decision of the Appeal Jury shall be based on the balance of probabilities (more likely than not).

17.12 An Appeal Jury has the power:

a to allow or dismiss the appeal;

b to vary the decision of the Technical Delegate;

c to increase, decrease, remit or otherwise vary any penalty included in the decision of the Technical Delegate;

d to impose such other penalty or sanction as it deems fit;

e to order that the deposit be refunded or forfeited;

f to make an order for payment of costs.

17.13 If the Appeal Jury decides, whether or not it allows the appeal in whole or part, that any period of suspension or other penalty may or ought to include the imposition of a suspension that affects matches or otherwise should take effect beyond the conclusion of the tournament, the Appeal Jury must, within 3 days, give written notice of its decision to the FIH Director General, who will refer it to the FIH Disciplinary Commissioner to decide on any further period of suspension or other penalty to be imposed.

17.14 At events where an FIH Representative or FIH Event Director has not been appointed, any appeal against a decision of a Technical Delegate must be communicated to the FIH Director General, who will refer it to the FIH Disciplinary Commissioner. The procedures in articles 15.10, 17.2 and 17.3 must be followed. As it may not be possible for the FIH Disciplinary Commissioner to reach a decision on any appeal within the timeframe in article 17.9, any decision of the Technical Delegate will stand until the FIH Disciplinary Commissioner has considered the appeal.

18 ANTI - DOPING

18.1 As a pre-condition of their participation in specified International Events, all players must have undertaken an Anti-Doping education programme prior to the commencement of the Event (if not completed within the preceding 24 months). Each National Association is free to choose which education programme is most suitable for its players, such as the World Anti-Doping Agency's on-line course ALPHA, or a National Anti-Doping Organisation / Regional Anti-Doping Organisation organised training.

18.2 All Anti-Doping tests will be carried out in accordance with the World Anti-Doping Code and the FIH Anti-Doping Rules relevant as at the first playing day of the tournament.

18.3 All matches are subject to Anti-Doping tests as FIH may direct.

18.4 Team Managers will be advised about Anti-Doping test procedures at the Event Briefing meeting.

18.5 Any player listed on the Team Entry form may be the subject of an Anti-Doping test after a match even if that player has not entered the Field of Play. A player may be the subject of more than one Anti-Doping test during a competition.

18.6 A player selected for an Anti-Doping test may not take a shower, bath, ice-bath or similar before providing a urine/blood sample which meets the requirements in the International Standard for Testing.

19 UNFORESEEN EVENTS

19.1 If circumstances arise pertaining to the technical aspects of the conduct of the tournament, which are not provided for in these Regulations, the Technical Delegate will determine any actions necessary.

19.2 If any team affected by a decision of the Technical Delegate under article 19.1 wishes to protest, it may do so following the procedures set out in Regulation 15.

19.3 If circumstances in relation to a wider event matter arise which are not provided for in these Regulations, the FIH Director General or their designee will determine any actions and follow the FIH Crisis Communications procedure as appropriate.

APPENDIX 1

VARIATIONS TO THE RULES OF INDOOR HOCKEY

Below is a list of Regulations which supersede the Rules of Indoor Hockey and apply to all inter-nations matches including test matches and under 21 junior inter-nations matches.

1 CAPTAINS

Rule 3.3: Captains must wear a distinctive armband or similar distinguishing article on an upper arm or shoulder or over the upper part of a sock.

Regulation: Captains must wear a distinctive single colour (not black) or in the team's national colour(s) or a rainbow coloured armband or similar distinguishing article on an upper arm or shoulder or over the upper part of a sock.

2 PENALTY CORNER PROCEDURES

Rule 13.3a: Time and play are stopped on the award of a penalty corner and re-started when the teams are ready. Teams should take up their positions for the taking of a penalty corner and put on penalty corner protective equipment without delay (as a guide up to 30 seconds).

Regulation: When an initial penalty corner is awarded, the timing of the match shall be stopped for 30 seconds to permit defenders to put on protective equipment before the penalty corner is taken. All field players defending a penalty corner must wear a face mask (as described in Rule 4 of the Rules of Indoor Hockey) until the first shot at goal (as described in Rule 13.3 of the Rules of Indoor Hockey). Where a defending field player removes the face mask before the first shot at goal, the penalty corner shall be re-taken.

The Umpire shall advise both teams as the countdown clock approaches zero. After 40 seconds if both teams are ready the Umpire shall re-start play by blowing the whistle and the ball shall be injected immediately. Rule 13.6(b) of the Rules of Indoor Hockey applies if the injector does not play the ball immediately after the start of the penalty corner.

If a team is not ready, the engaged Umpire must determine whether:

a the delay was due to players finding and putting on their full protective equipment, in which case additional time shall be allowed as necessary without penalty in the interest of player welfare and safety, or

b the delay was intentional, in which case the Umpire shall identify and issue a personal penalty (i.e. a green card) to the player who is responsible for the deliberate delay and the defending team shall defend the penalty corner with one fewer player. Repeated offences by the same team shall result in an increased personal penalty (i.e. a yellow card).

c Where a delay is caused by an attacking player, the Umpire shall issue a personal penalty (a green card) to that player. Repeated offences shall result in an increased personal penalty (i.e. a yellow card).

3 GREEN CARD – ONE MINUTE SUSPENSION

Rule 14.1.b: For any offence the offending player or team official may be temporarily suspended for 1 minute of playing time (indicated by a green card).

a For the duration of each temporary suspension, the offending team plays with one fewer player.

b If a field player receives a green card, the Umpires stop the match (but not necessarily the time) to issue the card; if time has been stopped, the Umpires restart it immediately after issuing the card.

c If a goalkeeper receives a green card, the Umpires stop the time and re-start it immediately after that player has left the field of play.

d The offending player leaves the field immediately and the offending team official goes immediately to the designated place; if they interfere with play on their way to the designated suspension area the Umpire may further penalise them in accordance with the Rules of Indoor Hockey.

e Timing of the suspension is controlled by a Technical Official on duty.

f The offending player is permitted to resume play, and the offending team official to resume their duties, when the Technical Official on duty indicates that the period of suspension has been completed.

g If the offending player is a goalkeeper, the Technical Official on duty notifies the Umpires when the period of suspension has been completed.

4 YELLOW CARD – TEMPORARY SUSPENSION

Rule 14.1.c: For any offence the offending player or team official may be temporarily suspended for 2 or 4 minutes of playing time (indicated by a yellow card).

a The duration of temporary suspension is indicated to the Technical Official on duty by the Umpire who issues the yellow card.

b For the duration of each temporary suspension, the offending team plays with one fewer player.

c If a field player receives a yellow card, the Umpires stop the match (but not necessarily the time) to issue the card; if time has been stopped, the Umpires restart it immediately after issuing the card.

d If a goalkeeper receives a yellow card, the Umpires stop the time and re-start it immediately after that player has left the field of play.

e The offending player leaves the field immediately and the offending team official goes immediately to the designated place; if they interfere with play on their way to the designated suspension area the Umpire may further penalise them in accordance with the Rules of Indoor Hockey.

f Timing of the suspension is controlled by a Technical Official on duty.

g The offending player is permitted to resume play, and the offending team official to resume their duties, when the Technical Official on duty indicates that the period of suspension has been completed.

h If the offending player is a goalkeeper, the Technical Official on duty notifies the Umpires when the period of suspension has been completed.

5 PERSONAL PENALTIES TO TEAM OFFICIALS

Rule 14.1: For any offence the offending player or team official may be:

a cautioned (indicated by spoken words)
b temporarily suspended for 1 minute of playing time (indicated by a green card)
c temporarily suspended for 2 or 4 minutes of playing time (indicated by a yellow card)
d permanently suspended from the current match (indicated by a red card).

Regulation: A card may only be awarded to a team official by an Umpire. The Technical Official on duty may recommend to an Umpire that a card be awarded to a team official. Control of the team benches is exercised by the Technical Officials on duty in accordance with Regulation 9.

Regulation: A team official who has received a green or yellow card must immediately go to, and remain in, the designated place near the team bench area, in accordance with Rule 14.2, for the duration of the suspension. The Technical Official on duty controls the suspension time and tells the Umpire when it has been completed; the team official may then resume their duties only with the permission of the Umpire who suspended them. For the duration of the suspension of a team official the team plays with one fewer player (Rule 14.2); when the suspension has been completed, the team may bring its number of players on the field back up by one player.

APPENDIX 2

ONE POOL COMPETITION PLAN AND RANKING

1 PLAN OF THE COMPETITION

1.1 There will be one pool comprising of all participating teams.

2 RANKING IN THE POOLS

2.1 Ranking in a pool is determined according to Article 2 of Appendix 3.

3 CLASSIFICATION MATCHES

3.1 This regulation applies only to the final classification play-off competition if it is to be played after the one pool competition.

3.2 The teams for the classification matches will be as follows although the matches will not necessarily be played in this order:

7^{th} Ranked Team v 8^{th} Ranked Team (to determine 7^{th} and 8^{th} places)

5^{th} Ranked Team v 6^{th} Ranked Team (to determine 5^{th} and 6^{th} places)

3^{rd} Ranked Team v 4^{th} Ranked Team (to determine 3^{rd} and 4^{th} places)

1^{st} Ranked Team v 2^{nd} Ranked Team (to determine 1^{st} and 2^{nd} places)

3.3 The score at the end of the regulation time of any match will be registered by the FIH as the result of the match.

3.4 If at the end of the regulation time the result is a draw, in order to establish an outright winner of a classification match for the purpose of the competition, a shoot-out competition as specified in Appendix 8 will be played to establish the winner of the match.

APPENDIX 3

RANKING IN A POOL

1 In each pool, all the teams will play against each other, and the following points will be awarded for each match:

- three points to the winner;
- one point to each team, in the event of a draw;
- no points to the loser.

2 In each pool, teams will be ranked according to the number of points each has accumulated in the competition.

a If at the end of the pool matches two or more teams have the same number of points for any place in a pool, these teams will be ranked according to their respective number of matches won.

b If there remains equality among two or more teams, then these teams will be ranked according to their respective goal difference (which means “goals for” less “goals against”). A positive goal difference always takes precedence over a negative one.

c If there still remains equality among two or more teams, these teams will be ranked according to their respective number of “goals for”.

d Should there still remain equality among two teams, then the result of the match played between those teams will determine the ranking of the tied teams.

e If more than two teams are involved, then a ranking based upon the results of the matches among (only) them shall determine their respective position, based upon the points awarded in accordance with Article 1 of this Appendix. If there remains equality, the teams involved shall be ranked according to Articles 2.a, b, c and d of this Appendix.

f If there still remains equality among two or more teams, then these teams will be ranked according to the number of Field Goals scored in the pool matches.

g Should there still remain equality among two teams, the ranking will be determined by a shoot-out competition between those teams (for details see Appendix 8 of these Regulations).

h If more than two teams are involved, then each team will play a shoot-out competition against the other teams in the same sequence of play as the order of play in the competition, in accordance with Appendix 8 of these Regulations but with one round of 3 shoot-outs only to be taken compulsorily by each team.

i A ranking will then be established based upon the results of the round of the shoot-out competition only, with the award for each play of 3 points to the team having scored the highest number of goals, 1 point to each team having scored an equal number of goals and 0 points to the team having scored the lowest number of goals.

j If equality remains then teams having an equal number of points shall be ranked according to paragraphs 2.a, b, c and d as applied to goals recorded during the shoot-out competition.

k If an equal position of three (or more) teams still remains thereafter, the same procedure shall be repeated until the teams can be ranked. The Technical Delegate shall make a draw to establish each sequence of play if such further rounds of shoot-outs are required.

APPENDIX 4

TWO POOLS 12 TEAMS COMPETITION PLAN AND RANKING

1. PLAN OF THE COMPETITION

1.1 There will be two pools, each comprising half of the number of the participating teams. If the numbers are uneven, one of the pools will comprise one more team than the other.

1.2 The two pools will be composed as follows based on the FIH Indoor World Ranking as at the date when the match schedule is initially drafted:

POOL A	POOL B
1	2
4	3
5	6
8	7
9	10
12	11

1.3 If one or more teams do not participate, a reserve team(s), if called upon, will, in principle, take the place of the defaulting team(s). The FIH reserves the right to exercise an unfettered discretion to re-arrange the composition of the pools prior to the Event Briefing.

2. RANKING IN THE POOLS

2.1 Ranking in a pool is determined according to Appendix 3.

3. CLASSIFICATION MATCHES

3.1 The quarter-finals will be as follows although the matches will not necessarily be played in this order:

1st Pool A	v	4th Pool B	Match 1
2nd Pool B	v	3rd Pool A	Match 2
2nd Pool A	v	3rd Pool B	Match 3
1st Pool B	v	4th Pool A	Match 4

The winners of these matches will play for 1st to 4th places and the losing teams will play for 5th to 8th places.

3.2 The semi-finals will be as follows although the matches will not necessarily be played in this order:

Winner Match 1	v	Winner Match 2
Winner Match 3	v	Winner Match 4

The winners of these matches will play for 1st and 2nd places (the final) and the losers will play for 3rd and 4th places.

3.3 The teams that lose the quarter-finals will be ranked 5th – 8th according to the position that they finish in their respective pools. Where two teams finish in the same position in their respective pools the ranking will be determined as follows.

a The teams will be ranked according to the number of points gained in pool matches

b If there remains equality, the teams will be ranked according to the number of matches won

c If there still remains equality, the teams will be ranked according to their respective goal difference (which means “goals for” less “goals against”). A positive goal difference always takes precedence over a negative one.

d If there still remains equality, the teams will be ranked according to their respective “goals for”.

e If there still remains equality, the teams will be ranked according to the number of Field Goals scored.

f If there still remains equality, the teams will be ranked on their combined performance in pool and quarter final matches based upon a, b, c, d and e above. If a team loses its quarter-finals in a shoot-out competition, it will be deemed to have been awarded 1 point as the score would be equal at the end of regulation time.

g Should there still remain equality, then the ranking will be shared equally

3.4 The classification match for 9th and 10th places will be as follows:

5th Pool A v 5th Pool B

3.5 The classification match for 11th and 12th places will be as follows:

6th Pool A v 6th Pool B

3.6 If there are an odd but equal number of teams in each pool, the two teams finishing at the bottom of each pool will play against each other for the two last places in the tournament.

3.7 If there is an odd number of teams in one pool and an even number of teams in the other pool, classification matches for the last three places in the tournament will be as follows:

Bottom Pool A v Bottom Pool B

The losing team of this match will be ranked in the last place in the tournament and, to determine the next two higher places, the winner will then play the team that finished in the penultimate place in the pool which had the larger number of teams.

3.8 The score at the end of the regulation time of any match will be registered by the FIH as the result of the match.

3.9 If at the end of the regulation time the result is a draw, in order to establish an outright winner of a classification match for the purpose of the competition, a shoot-out competition as specified in Appendix 8 will be played to establish the winner of the match.

APPENDIX 5

THREE POOL 8-TEAM COMPETITION (POOL C CLASSIFICATION MATCHES) PLAN AND RANKING

a After completion of the pool matches (Pool A and Pool B) the 3rd and 4th placed teams from each pool will be placed into Pool C comprising four (4) teams.

b The number of points, goals for and goals against that each of these two teams have accumulated in either Pool A or Pool B, based only upon the results of the matches played between them, will be carried forward into Pool C.

c The four teams in Pool C will then play against each of the two teams that they have not played in the Preliminary Pool Round.

f Teams will be ranked according to the number of points each has accumulated in Pool C, that is the sum of the points carried forward from the matches referred to in 3.4b above and the points awarded from the matches in 3.4d above. If there is equality between two or more teams, then the teams involved will be ranked according to Clause 2.2 of Appendix 3.

3.12 If at the end of the regulation time the result is a draw, in order to establish an outright winner of a classification match for the purpose of the competition, a shoot-out competition as specified in Appendix 8 will be played to establish the winner of the match.

APPENDIX 7

TWO TEAMS PLAY-OFF COMPETITION

1. RANKING IN THE COMPETITION

1.1 The two teams shall play three times against each other. There shall be at least one day rest during the competition and there shall be at least 22 hours' time difference between the start times of matches on consecutive days. However, with the permission of FIH, the requirement to have the rest day may be waived providing that the request for waiving that day is made to FIH prior to the competition commencing with the agreement of both participating countries.

1.2 The following points shall be awarded for each match:

- three points to the winner
- one point to each team, in the event of a draw
- no points to the loser

Teams shall be ranked according to the number of points each has accumulated in the competition.

1.3 If there remains equality among the two teams, then the teams will be ranked according to their respective goal difference (which means "goals for" less "goals against"). A positive goal difference always takes precedence over a negative one.

1.4 If at the end of the regulation time of the third match the number of points, goals for and goals against awarded to both teams are equal, in order to establish an outright winner, a shoot-out competition as specified in Appendix 8 will be played to establish the winner of the match.

1.5 If the same team wins the first two matches, it is not compulsory to play the third match.

APPENDIX 8

SHOOT-OUT COMPETITION

In a shoot-out competition, three players from each team take a one-on-one shoot-out alternately against a defender from the other team as set out in this Regulation. The shoot-out competition comprises all series of shoot-outs required to determine a result. The following sets out both the playing Rules and the procedures to be followed.

1 If the shoot-out competition takes place after the end of a match, the first shoot-out shall take place within four (4) minutes of the end of the match.

2 The respective Team Managers provide three players to take and one player to defend the shoot-outs from those on the Match Report except as excluded below. A player nominated to defend the shoot-outs can also be nominated to take a shoot-out. No substitutions / replacements are permitted during the shoot-out competition other than as specified below.

3 A player who is still serving a disciplinary suspension by the Technical Delegate at the time the shoot-out competition takes place or has been excluded permanently (red card) during the match which leads to the shoot-out competition, cannot take part in that shoot-out competition. A player who has been warned (green card) or temporarily suspended (yellow card) may take part in the shoot-out competition even if the period of their suspension has not been completed at the end of the match.

4 The FIH Event Director or Technical Delegate will specify the method of timing shoot-outs taking account of the facilities available and the need to control time accurately.

5 The FIH Event Director, if present, or Technical Delegate will specify the goal to be used.

6 A coin is tossed; the team which wins the toss has the choice to take or defend the first shoot-out.

7 All persons listed on the Match Report other than any player who is still serving a disciplinary suspension by the Technical Delegate at the time the shoot-out competition takes place or has been excluded permanently (red card) during the match which leads to the shoot-out competition are permitted to enter the field of play outside the half used for the shoot-out

8 The goalkeeper / defending player of the team taking a shoot-out may be on the back-line outside the circle.

9 A player taking or defending a shoot-out may enter the half used for the shoot-out for that purpose.

10 Players taking a shoot-out and also defending the shoot-outs taken by opponents are allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put back on their protective equipment.

11 Three players from each team take a shoot-out alternately against the goalkeeper / defending player of the other team making a total of 6 shoot-outs.

12 Taking a shoot-out:

- a the goalkeeper / defending player starts on or behind the goal-line between the goal posts;
- b the ball is placed 3 metres outside the circle opposite the centre of the goal;

c an attacker stands behind but near the ball;

d the Umpire blows the whistle to start time;

e an official starts the clock;

f the attacker and the goalkeeper / defending player may then move in any direction;

g the shoot-out is completed when:

i 6 seconds has elapsed since the starting signal;

ii a goal is scored;

iii the attacker commits an offence;

iv the goalkeeper / defending player commits an unintentional offence inside or outside the circle in which case the shoot-out is re-taken by the same player against the same goalkeeper / defending player;

v the goalkeeper / defending player commits an intentional offence inside or outside the circle, in which case a penalty stroke is awarded and taken;

vi the ball goes out of play over the back-line or side-boards; this includes the goalkeeper / defending player intentionally playing the ball over the back-line;

vii if the ball rebounds off a goalkeeper / defending player over the side-boards, the shoot-out is completed; if the ball is propelled by a goalkeeper / defending player over the side-boards, the shoot-out is retaken by the same player against the same goalkeeper / defending player

14 The team scoring the most goals (or ahead by more goals than the other team has untaken shoot-outs available) is the winner.

15 A player may be suspended by a yellow or red card but not by a green card during a shoot-out competition.

16 If during a shoot-out competition (including during any penalty stroke which is awarded) a player is suspended by a yellow or red card:

a that player takes no further part in that shoot-out competition and, unless a goalkeeper / defending player, cannot be replaced;

b the replacement for a suspended goalkeeper / defending player can only come from the three players of that team nominated to take part in the shoot-out competition:

ii for taking their own shoot-out, this player is allowed reasonable time to take off their protective equipment to take their shoot-out and subsequently to put it on again.

listed on the Match Report for that particular match, except as excluded in this Appendix or unless suspended by an Umpire during the shoot-out competition;

18 If during a shoot-out competition, an attacker is incapacitated, that attacker may be replaced by another player from among the players listed on the Match Report for that particular match, except as excluded above or unless suspended by an Umpire during the shoot-out competition.

19 If an equal number of goals are scored after each team has taken three shoot-outs:

a a second series of shoot-outs is taken with the same players, subject to the conditions specified in this Appendix;

c the team whose player took the first shoot-out in a series defends the first shoot-out of the next series;

d when one team has scored or been awarded one more goal than the opposing team after each team has taken the same number of shoot-outs, that team is the winner.

20 If an equal number of goals are scored after a second or subsequent series of three shoot-outs, an additional series of shoot-outs is taken with the same players subject to the conditions specified in this Appendix:

a the sequence in which the attackers take the shoot-outs need not be the same in any subsequent series;

b the team which starts each shoot-out series alternates for each series.

1. PURPOSE, SCOPE AND APPLICATION

1.1 The International Hockey Federation (FIH) is recognised by the International Olympic Committee as the sole ultimate governing body for the sport of Hockey throughout the world and the *Code of Conduct* is adopted and implemented as part of the *FIH's* continuing efforts to preserve the integrity of the sport of hockey.

1.2 The *Code of Conduct* aims to promote the highest standard of behaviour and conduct in the administration, coaching and playing of hockey and is an effective means to deter any *Participan*t from conducting themselves improperly both on and off the field-of-play or in a manner that is contrary to the spirit of hockey.

1.3 Unless otherwise indicated, words in italicised text in the *Code of Conduct* are defined terms and their definitions are set out in Article 3.

1.4 All *Participants* are automatically bound by and required to comply with all of the provisions of the *Code of Conduct*. Accordingly, by their participation in a *Match* or an *International Event*, such *Participant* shall be deemed to have agreed that it is their personal responsibility to familiarise themselves with all of the requirements of the *Code of Conduct*, including what conduct constitutes an offence under the *Code of Conduct*.

1.5 The *National Association* of each participating team is responsible for informing and educating Participants about the *Code of Conduct*. *National Associations* shall share liability with *Participants* should breaches of the *Code of Conduct* occur.

1.6 All *Participants* are bound by the *Code of Conduct* at all times and shall continue to be bound by and required to comply with the *Code of Conduct* until they have not participated in an *International Event* during the *Applicability Period*. APPENDIX 10

FIH CODE OF CONDUCT – GUIDELINES TO TECHNICAL DELEGATES ON PROCESS FOR HEARING AND DETERMINING ANY REPORTED OFFENCE

1 THE REPORT

All reports of any offence against the FIH Code of Conduct shall be made to the Technical Delegate.

The Technical Delegate is to determine the level of the offence.

A report can be received by the Technical Delegate from any person but if received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must exercise discretion as to whether to accept such a report. That discretion is to be exercised taking into account the seriousness of the reported behaviour and the reason for the delay in making the report.

2 PRINCIPLES OF NATURAL JUSTICE

The principles of natural justice apply in the following way.

The Technical Delegate will advise the Team Manager of

- the fact of the report of an offence;
- the identity of the team member(s) reported;
- the level of the offence;
- the time and place of the hearing;
- details of the conduct and the mode of proof of it;
- if the report was received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must state the reasons for the exercise of the discretion to accept the report. No appeal from the exercise of that discretion is available.

3 THE HEARING

Should the Technical Delegate accept the report and decide to hold a hearing, such hearing must be held as soon as possible after receipt of the said report.

If an offence occurs less than 24 hours before the end of the tournament, a hearing can be held, via electronic means, not more than seven (7) days after the end of the tournament. Following such a hearing the Technical Delegate must give written notice of the decision to the FIH Director General as set out in Regulation 15 above.

The Technical Delegate must chair the meeting (subject to delegation for reason of conflict of interest).

The hearing must be attended by the person the subject of the report and one representative if they desire (in addition the person the subject of the charge may be assisted by an interpreter).

The Technical Delegate must outline the evidence relied on to support the report including showing any video footage that may be available.

The team member is to be asked for their response to the report, ie do they accept the offence as alleged or not. The team member must be permitted to present material as to either or both of the fact of the offence or penalty.

Should the person who is the subject of the report fail to attend the hearing, the hearing shall take place in the absence of that person and the fact of the failure to attend shall be taken into account in the determination of the appropriate penalty in the event that an offence is found to have been committed.

4 THE DECISION

The decision should be in writing and read to the person the subject of the report by the Technical Delegate (through an interpreter if necessary). It should deal (at least) with the following matters:

a whether or not the team member accepts the breach of the Code of Conduct;

b if the team member does not accept the breach, a finding as to whether a breach has occurred and why.

Should it be found (or agreed) that an offence has been committed either the minimum penalty will be imposed or, at the entire discretion of the Technical Delegate, a greater penalty. If a greater penalty is being considered then:

a the disciplinary history of the team member;

b the attitude of the team member at the hearing;

c any penalty already incurred, eg if a card was given during the match the length of time of any suspension served under that card;

d the seriousness of the offence by comparison with other offences at this level

will be taken into account by the Technical Delegate in imposing a greater penalty and details of which will be set out in the written decision.

5 DEFINITION OF THE PENALTY

A clear definition of the penalty will include:

a the number and type of matches for which the team member is suspended;

b the date of commencement of the suspension;

c a statement whether, in the view of the Technical Delegate, any additional period of suspension or other penalty to take effect beyond the conclusion of the tournament should be imposed or may be appropriate; and, if so

d a statement that the decision to impose any further suspension or penalty is referred to the FIH Director General for further consideration by the FIH Disciplinary Commissioner; and

e a summary of the Technical Delegate's reasons that may justify the imposition of an additional suspension or other penalty.

APPENDIX 11

FIH MEDIA POLICY

1 PURPOSE, SCOPE AND APPLICATION

1.1 The International Hockey Federation (*FIH*) is recognised by the International Olympic Committee as the sole ultimate governing body for the sport of *Hockey* throughout the world. *FIH's* purpose is to raise the global status and popularity of hockey. The Media Policy (the *Policy*) is adopted and implemented as part of the *FIH's* strategy to unite the hockey community to reach its ambition - a global game that inspires the next generation.

1.2 The Policy aims to assist in the management of the relationship between the accredited media covering *International Events* and *Participants*. Crucially, this *Policy* also assists in maximising and enhancing the media coverage of *International Events* to help achieve *FIH's* purpose.

1.3 Unless otherwise indicated, words in italicised text in the *Policy* are defined terms and their definitions are set out in Article 4 of this policy.

1.4 All *Participants* are automatically bound by and required to comply with all of the provisions of the *Policy*. Accordingly, by their participation in a *Match* or an *International Event*, such *Participants* shall be deemed to have agreed that it is their personal responsibility to familiarise themselves with all of the requirements of the *Policy* and acknowledge non-compliance with the Policy may result in disciplinary action being taken against them.

1.5 While this *Policy* sets out general guidelines and minimum requirements *FIH* reserves the right to apply flexibility whenever needed, for the benefit of all parties, and to modify them following consultation with the *Participants*.

1.6 The Policy incorporates the Social Media Guidelines set out in Article 3 of this policy.

1.7 The *National Association* of each participating team is responsible for informing and educating *Participants* about the *Policy* and ensuring that each *Participant's* media (and social media) activity prior to, during and after the *International Event* is in accordance with the *Policy* and does not bring the name of *FIH* and sport of *Hockey* into disrepute.

1.8 Each Participant acknowledges the importance of communicating and cooperating with the media in order to enhance the image of *International Events*. The Policy applies to all *Participants* for the duration of the *International Event* (from the start of the Outward Journey until the conclusion of the Homeward Journey).

1.9 The *Code of Conduct* will come into full force and effect at *FIH* level on 1 May 2016 (the *Effective Date*) and will supersede the previous *Policy* as from that date. It may be amended from time to time by *FIH.*

2. MEDIA ACTIVITIES

2.1 *Participants*, and in particular, Captains and Coaches shall participate in media conferences / briefings.

2.2 *Participants* shall participate in media activities. Media activities may vary from each *International Event*, but shall include training sessions, photo opportunities, media conferences / briefings and interviews. Still and moving images from these media activities may be used for promotional and broadcast production.

2.3 *Participants* shall take part in promotional video shoots or other similar activity as may be reasonably required by *FIH*. These may be scheduled on non-match days.

e the maximum usage is specified below, however not all shots will be used for each *Match*.

f use of the shots will be determined by the Host Broadcaster for each *Match*

g shots from changing room cameras may only be used at the following times:

i a single shot may be transmitted from each changing room on a delayed basis as part of a pre-recorded sequence showing the team arriving at the venue, exiting the bus, moving into the tunnel area and entering the changing room. It will be a wide shot of the team entering the changing room moving to and placing their gear in their respective positions

ii a single shot from each changing room of a maximum of 20 seconds may be transmitted live between 8 and 10 minutes before the start of a *Match*. These shots should show the final team huddle / interaction prior to leaving the changing room

iii during half-time a single shot from each changing room for a maximum of 20 seconds may be transmitted live at a specified time

iv subject to prior agreement with each individual team, a maximum of 2 shots post *Match* from each changing room may be recorded and broadcast on a delayed basis. These will be a maximum of 20 seconds duration each. Agreement on the use of these shots can be reached based on results (eg it may be agreed that these shots are not used if a team loses a Match)

2.7 *Participants* may receive requests for half-time interviews, however these are subject to agreement by the respective Team Management and *FIH*.

2.8 A compulsory post-Match Mixed Zone or equivalent will be in operation following all *Matches*. It will be managed by FIH and is designed for brief commentary on the *Match,* not detailed interviews. The Mixed Zone, or its equivalent, is a managed area where the accredited media

have the opportunity to interview players and coaching staff as they leave the Match Venue. Players and coaching staff are separated from the media by means of suitable barriers. The Mixed Zone opens following the end of the *Match*. Written press will have priority in terms of access to players and coaches in the Mixed Zone. This is followed by TV and radio rights holders and finally broadcast non-rights holders. All players and coaches should leave the Match Venue through the Mixed Zone, unless otherwise agreed by the FIH Event Director.

2.9 *Participants* will be required to give compulsory flash interviews:

a at half-time (either at the start or at the end of the half-time)

d each interview will be conducted in English by the Host Broadcaster's reporter (player's mother tongue is also an option, provided that an interpreter is available for immediate translation)

e *FIH* may put in place a process to select a Player of the Match for each *Match; if* this happens the Player of the Match will conduct a flash interview after the final whistle / Shoot-out and prior to returning to the changing room
