**Schedule of Disciplinary Hearing  
Canada Player #20 Adam KAPASI**

Dear Manvir,

We will hold a disciplinary hearing tomorrow (March 20th, 2024) at 12:00 PM in the TD office.

After receiving reports from the TO and reserve umpire from the match, Aaron DUDEK and Brian TYSON respectively, we have found a possible breach of the Tournament Regulations Indoor Competitions February 20, 2024 and FIH Code of Conduct April 2021. These state the following:

*Tournament Regulation: 14 Code of Conduct and Sanctions – 14.1 The FIH Code of Conduct applies to all Participants (as defined in the Code of Conduct) including all National Association team members and officials, FIH tournament officials and host National Association representatives and the members of the organising committee, in FIH International Events.*

*FIH Code of Conduct: 2 Code of Conduct Offences – h Abuse of hockey equipment or clothing, venue equipment or fixtures and fittings. Note: This includes any action(s) outside the course of normal hockey actions, such as hitting or kicking the goal posts and any action(s) which intentionally or negligently results in damage to the team benches, advertising boards, dressing room doors, mirrors, windows and other fixtures and fittings.*

*I Where the facts of the alleged incident are not adequately or clearly covered by any of the above offences, conduct that either is contrary to the spirit of the game or brings the game into disrepute. Note: Article 2.2 I is intended to be a 'catch-all' provision to cover any type of conduct of a minor nature that is not, and because of its nature cannot be, adequately covered by the specific offences set out elsewhere in the Code of Conduct by your Team player #20, Adam KAPASI, after the conclusion of match # M04 ARG-CAN, the playing surface was damaged.*

As advised, we require the attendance of the team player #20, Adam KAPASI and one representative if desired. You are invited to present any evidence at the hearing. Please acknowledge the receipt of this email.

Kind regards,
