

REPORT FOR THE EXECUTIVE BOARD MEETING Elections Oversight Panel

DATE 4 October 2022

The Elections Oversight Panel (E.O.P.) has been appointed by the Executive Board prior to the Congress.

A request for nominations for President and for members of the Executive Board was sent to National Associations on 25 July 2022. The closing date for nominations was 26 August 2022. For the position of President, there is 1 vacancy. Two (2) nominations were received within the deadline. For the position of Executive Board member, there are 4 vacancies (2 for women and 2 for men) or 5 (2 for women and 3 for men) if current Board Member Mohammad Tayyab Ikram is elected as President. 10 nominations (3 for women and 7 for men) were received within the deadline.

The EOP have carefully checked all the papers received and can report that each candidate has completed and returned all the required papers. To that extent all the applications/nominations were correct. As for the information provided, the E.O.P.do not comment on the contents of the forms. To do so would inevitably be subjective. It is for the voting delegates to read the forms and form their own judgement on the candidates. The voters will also hear from the candidates at or before the Congress.

Finally, with respect to our responsibility to monitor the FIH elections process, we are pleased to say that based on the information that we have, the FIH elections to this point have been carried out with utmost integrity, transparency and goodwill.
