| About the FIH Hockey Pro League

The FIH Hockey Pro League – “Hockey at its Best!” – is the global League involving hockey’s best national teams in the world, Men and Women.

The best team of the season – having accumulated the highest number of points at the end of the League - is crowned Champion and receives the coveted FIH Hockey Pro League Trophy.

In the first edition of the FIH Hockey Pro League, Australia (Men) and The Netherlands (Women) were the inaugural champions. Belgium men and Netherlands women – who both went on to take the Olympic titles at Tokyo 2020 – were crowned winners of Season 2, which was heavily disrupted due to the COVID-19 global health pandemic. Season 3 was another pulsating affair, with the Netherlands men and Argentina women claiming their first titles, while Season 4 saw a remarkable Dutch double as the Oranje battled to glory in the men’s and women’s competitions.

The 2022-23 season saw a significant change to the format of the FIH Hockey Pro League, with the introduction of “mini-tournaments” allowing several teams to gather in one venue to play two matches against each other. This format, which is again in place for the 2023-24 season, has a positive impact on players’ welfare and the environment, thanks to a substantial reduction in the amount of travel needed for each team and the officials. The revised format also increases the number of dates available for athletes to compete in their domestic leagues and club competitions.

The FIH Hockey Pro League – an event in where the format is identical in both the men’s and women’s competitions – is transforming the landscape of international hockey, allowing fans the world over are able to watch their favourite sport for an extended period on the same TV channel or on the [Watch.Hockey](#) app. Moreover, those fans whose team is participating have the chance to be part of the noise and sheer excitement of watching their team regularly in their home country.

Promotion, relegation and the FIH Hockey Nations Cup

Like last season, the 2023-24 edition features a relegation and promotion element, with the last place finishers in both the men's and women's League's being replaced by the winner of the FIH Hockey Nations Cup.

Men's competition

New Zealand men finished bottom of the standings in the previous edition of the competition, being relegated into the FIH Hockey Nations Cup. South Africa were the winners of the inaugural men's FIH Hockey Nations Cup on home soil in Potchefstroom in 2022. However, after a thorough analysis, the South African Hockey Association (SAHA) decided not to join the FIH Hockey Men's Pro League. Consequently, the runners-up of the Nations Cup, Ireland, were invited to join the FIH Hockey Pro League in 2023-24, an offer they accepted. More information about this can be found by [clicking here](#).

Women's competition

India women secured a place in the 2023-24 FIH Hockey Pro League by winning the FIH Hockey Nations Cup, which was played in Valencia, Spain in December 2022. Despite having avoided relegation in 2022-23, New Zealand's women's team will not participate in this edition of the FIH Hockey Pro League following a decision from Hockey New Zealand to withdraw from the competition. As a result of New Zealand's withdrawal, USA, who finished bottom of the standings in 2022-23, will keep their spot amongst the participating nations for the upcoming season. | Rules and Competition Regulations

Players

In the 'mini-tournament' format, Team managers must submit the names of up to 22 players that will form the team's squad for that mini-Tournament no later than one week before it begins. A matchday squad is made up of a maximum of 18 players, composed of 11 players on the field and up to seven substitutes.

Substitutions

There are no limits on the number of substitutions, apart from during a penalty corner or video referral when substitutions are not allowed.

Match periods

Matches consist of four periods of 15 minutes.

Green and yellow cards

If a player is shown a green card by the umpire, he or she has a temporary suspension lasting two minutes. This means the team plays with one fewer player during this period. The time penalty kicks in when the suspended player sits on a chair next to the technical table. After the two minutes are up, the player can return to the pitch. If a player is shown a yellow card, the suspension shall be a minimum of five minutes. The Technical Officer on duty is responsible for timing the temporary suspension. Once the suspension is over, the player (or a substitute) can return to the pitch unless this occurs during the taking of a penalty corner, in which case the player cannot return until the penalty corner has been completed or another penalty corner is awarded.

Penalty corner countdown clock

When a penalty corner is awarded, time is stopped for 40 seconds, except in the case of re-awards or penalty corners awarded after a Video Umpire referral. In the case of a re-awarded penalty corner time will be immediately stopped but the teams will not be allowed an additional 40 seconds. The umpire will re-start play at the earliest possible opportunity, ensuring that any delay is kept to a minimum. Matches are also stopped for 40 seconds after a goal is scored, except in the case of goals awarded after a Video Umpire Referral and a Penalty Stroke.

Video umpire

Each team is allowed one video umpire team referral during the regulation time. Team referrals are restricted to decisions within the 23 metre areas relating to the award (or non-award) of goals, penalty strokes and penalty corners. The on-pitch umpires will ask the video umpire to study the relevant images and for his or her advice and recommendation. If the referral is successful, the team retains the right to make another team referral. If the referral is unsuccessful, the team loses the right to use the video umpire for the rest of the game. The umpires may also consult the video umpire, using their own umpire referral, if they have doubts about whether or not to award a goal.

If a match ends in a draw a shoot-out competition will take place to determine the winner. In the shoot-out competition each team has the right to one team referral for the award (or non-award) of goals, penalty strokes and whether a shoot-out should be re-taken or not. Referrals remaining at the end of regulation time are not carried over into the shoot-out competition. The umpires may still also consult the video umpire, using their own referral, if they have doubts about whether or not to award a goal.

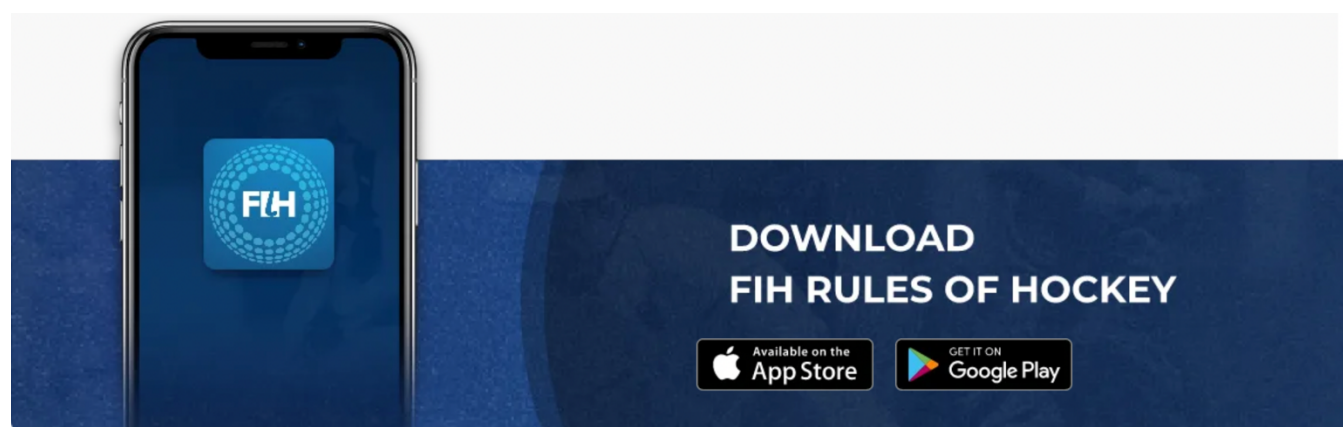

HOCKEY AT ITS BEST

Shoot-outs

A shoot-out competition will be used if the scores are equal at full time. Each team picks five players who will each take one shoot-out. If the teams are tied after a series of shoot-outs, the winner will be decided by sudden death, ie when one team has scored one more goal than the opposing team after an equal number of shoot-outs have been taken. The process will be repeated in series of five shoot-outs for each team until a winner has been decided.

FIH Hockey Pro League winners (2021-22)

About the team: Pan American giants Argentina have a superb track record in the FIH Hockey Pro League, never finishing lower than fourth and claiming a glorious title success in the 2021-22 edition. Las Leonas were beaten to the title in last year's competition by fierce rivals the Netherlands, but have their sights firmly set on reclaiming the crown in 2023-24. A successful FIH Hockey Pro League campaign could be the foundation on which to build their ongoing quest for that elusive Olympic gold medal, with the three-time silver medallists determined to finish top of the podium at Paris 2024 next summer having recently booked their ticket by winning the Pan American Games 2023 in Santiago, Chile. With a squad blessed with masses of talent such as livewire attacker Maria Granatto, vastly experienced team captain Rocio Sanchez, rising defensive star Valentina Raposo and prolific penalty corner ace Agustina Gorzelany, Argentina are genuine title contenders.

This season, Argentina will take to the field for FIH Hockey Pro League 'mini-tournaments' on home soil in Santiago del Estero and Buenos Aires as well as Antwerp, Belgium.

About the team: After being forced to miss the 2021-22 season due to impact of the COVID-19 global health pandemic, Australia made an impressive return to FIH Hockey Pro League action in 2022-23 by claiming a creditable third place. The team coached by legendary Hockeyroo Katrina Powell claimed points against all eight of their opponents last time around, earning victories against the likes of Argentina, Germany and Great Britain as well holding the all-conquering Netherlands before winning the subsequent shoot-out to take the bonus point. Having achieved a bronze medal at the 2022 FIH Women's World Cup and booked their ticket to the Olympic Games Paris 2024 by winning the Oceania Cup 2023, Powell's Australia will be feared and respected in equal measure. The co-captaincy team of Brooke Peris, Kaitlin Nobbs, Jane Claxton, and Grace Stewart are all outstanding performers for the Aussies, with Rosie Malone, Mariah Williams, Maddy Fitzpatrick, rising star Amy Lawton and goalkeeper Jocelyn Bartram all capable of producing match-winning contributions to the cause.

Belgium

Nickname: Red Panthers

Previous FIH Hockey Pro League placements: 2019: 5th. 2020-21: 7th. 2021-22: 4th. 2022-23: 4th.

Notable honours: 2x EuroHockey Championships silver medallists (2017, 2023), EuroHockey Championships bronze medallists (2021), Hockey World Cup bronze medallists (1978), 4th Place – EuroHockey Nations Championships (2013)

About the team: Over the past six years, Belgium's Red Panthers have established themselves as a genuine European powerhouse, claiming silver medals at the EuroHockey Championships in both 2017 and the recent 2023 event in Mönchengladbach, Germany. The team defeated Italy, Spain and Germany on route to the 2023 final, eventually being losing 3-1 to the Netherlands in the gold medal match. Despite that painful loss, it was another milestone moment in the development of a gifted group of players, with young talents such as gifted teenager Emily White and ace midfielder Charlotte Englebert producing performances to match those of established performers like Barbara Nelen, Alix Gerniers and Stephanie Vanden Borre. The team is coached by Raoul Ehren, who guided Den Bosch women to unprecedented club success both in the Netherlands and Europe and is clearly working his magic at international level. With talent in abundance and a fantastic, ambitious coach with big ideas, this team can mix it with the very best.

China

Previous FIH Hockey Pro League placements: 2019: 7th. 2020-21: 8th. 2021-22: 8th. 2022-23: 7th.

Notable honours: Olympic silver medallists (2008), World Cup bronze medallists (2002), Champions Trophy gold medallists (2002), 2x Champions Trophy silver medallists (2003, 2006), Champions Trophy bronze medallists (2005), 4x Asian Games gold medallists (2002, 2006, 2010, 2022), 2x Asia Cup gold medallists (1989, 2009), 2x Asia Cup silver medallists (1993, 2017), 3x Asia Cup bronze medallists (1999, 2004, 2007).

About the team: Having stormed to gold in October's delayed Asian Games 2022 to seal their Olympic Games Paris 2024, China will enter the new FIH Hockey Pro League season very much on a high. The team were sensational at the event on home soil in Hangzhou, winning all six of their matches without conceding and defeating Japan (2-0), India (4-0) and Korea (2-0) along the way. The team scored a remarkable 49 goals, with Gu Bing Feng (9 goals), Zhang Ying (7) and Zhong Jiaqi (7) claiming the first three places in the competition top scorer's chart. The team is coached by Alyson Annan, the legendary former Australian international and two-time FIH Player of the Year, who came on board in 2022. Appointing the coach who guided the Netherlands women to World Cup (2018) and Olympic (2021) glory gave a good indication of China's ambition, a point reinforced by the arrival of fellow Aussie icon Ric Charlesworth and Dutch penalty corner expert Taeke Taekema, assistant coaches in Annan's project. With quality coaches and numerous highly gifted players, underestimate China at your peril.

This season, China will take to the field for FIH Hockey Pro League 'mini-tournaments' in Bhubaneswar (IND), Rourkela (IND), Antwerp (BEL) and London (ENG).

One to watch: Gu Bingfeng. A rock-solid defender and potent weapon from attacking penalty corner situations, 29-year-old Gu Bingfeng provides quality at both ends of the field. She has scored 97 times in 152 appearances for her country, and recently top scored at the 2023 Asian Games, netting nine goals to secure China's ticket to the Olympic Games Paris 2024.

Notable honours: Olympic gold medallists (2004), 2x Olympic silver medallists (1984, 1992), Olympic bronze medallists (2016), 2x World champions (1976, 1981), 2x European champions (2007, 2013), FIH Hockey Pro League bronze medallists (2019), 7x European silver medallists (1991, 1999, 2005, 2009, 2011, 2019, 2021), Champions Trophy gold medallists (2006), 5x European bronze medallists (1984, 1995, 2003, 2015, 2023).

About the team: Having won every major title on offer and always genuine contenders for a place on the podium, Germany have an international record to be proud of. The team coached by Valentin Altenburg – who guided Germany men to Olympic bronze at Rio 2016 – proved their class once again in August 2023, taking bronze medal at the EuroHockey Championships, which were played on home turf in Mönchengladbach. Remarkably, Die Danas conceded only once during that competition, with that solitary goal condemning them to a narrow 1-0 defeat against Belgium in the semi-final. However, the host nation finished on a high, with goals from penalty corner star Sonja Zimmermann, Charlotte Stapenhorst and Jette Fleschütz sealing a superb 3-0 win over England to bag the bronze medal. Germany's provisional squad named for this season's FIH Hockey Pro League contains seven players who have surpassed the 100 caps marker, the most experienced being double Olympian Anne Schröder, who has represented her country on 195 occasions. Team captain and star defender Nike Lorenz, Stapenhorst, Selin Oruz, Cecile Pieper, Amelie Wortmann and Victoria Huse are also cap centurions, with Hanna Granitzki just one game away from reaching that milestone at the time of writing.

This season, Germany will take to the field for FIH Hockey Pro League 'mini-tournaments' in Buenos Aires (ARG), London (ENG), Utrecht (NED) and Amsterdam (NED).

One to watch: Charlotte Stapenhorst. A livewire attacker who rarely fails to impress, Charlotte Stapenhorst is a constant scourge to opposition defences thanks to her magical 3D skills and ability to produce moments of jaw-dropping brilliance. At the time of writing, the 28-year-old had scored 76 goals in 153 appearances for her country, including netting Germany's second in their 3-0 European championships bronze medal match victory over England in August 2023.

Great Britain

Previous FIH Hockey Pro League placements: 2019: 8th. 2020-21: 3rd. 2022-23: 6th.

Notable honours: Olympic gold medallists (2016), 3x Olympic bronze medallists (1992, 2012, 2021), FIH Champions Trophy silver medallists (2012). FIH Pro League bronze medallists (2020-21).

About the team: Having secured Olympic gold at Rio 2016 and bronze at both London 2012 and Tokyo 2020, Great Britain's women are developing a habit of hitting form just at the right time. With Paris 2024 just around the corner, the 2023-24 edition of the FIH Hockey Pro League provides head coach David Ralph with the chance to build momentum ahead of their quest to medal at a fourth successive Olympic Games. While a sixth-place finish in the 2022-23 competition featured a very mixed bag of results, impressive victories over Australia and New Zealand coupled with single goal losses against both the Netherlands and Argentina gave a good indication of their capabilities. Team captain Hollie Pearne-Webb and Laura Roper (née Unsworth) are two of the finest defenders around, while attacking talents Ellie Rayer, Lily Owsley and Hannah French (née Martin) all have electrifying speed and skills. Striker Tess Howard is another key player for GB, capable of producing match-winning moments in front of goal. While the team has had to cope with the retirement of legendary goalkeeper Maddie Hinch, the position is being ably filled by Sabbie Heesh with Amy Tennant and 24-year-old Miriam Pritchard both being high quality alternatives.

This season, Great Britain will take to the field for FIH Hockey Pro League 'mini-tournaments' in Santiago del Estero (ARG), London (ENG), Utrecht (NED) and Amsterdam (NED).

One to watch: Laura Roper. Tough tackling, composed on the ball and with an outstanding reading of the game, Laura Roper is a central figure in the team who can be found excelling all over the pitch. A three-time Olympic medallist who has earned over 330 caps, the 35-year-old defender is one of Great Britain's most consistently outstanding performers.

About the team: India women secured a place in the 2023-24 FIH Hockey Pro League by winning the FIH Hockey Nations Cup, which was played in Valencia, Spain in December 2022. The team coached by former Netherlands captain Janneke Schopman were in sparkling form in Valencia, claiming victories over Chile, Japan, South Africa and Ireland before a solitary goal from Gurjit Kaur earned a 1-0 victory over hosts Spain and a berth in this year's competition. Fascinatingly, both India and Spain participated in the 2021-22 Pro League season in place of the Australia and New Zealand, who were unable to due to covid-19 travel restrictions. India were outstanding throughout, securing a 3rd place finish and even managing to inflict a rare defeat on the Netherlands, with Neha and Sonika getting the goals in a 2-1 triumph in Bhubaneswar. Having recently claimed bronze at the delayed 2022 Asian Games in Hangzhou, China, it will be fascinating to see how they perform on their FIH Hockey Pro League return.

This season, India will take to the field for FIH Hockey Pro League 'mini-tournaments' on home soil in Bhubaneswar (IND) and Rourkela (IND) as well as Antwerp (BEL) and London (ENG).

One to watch: Gurjit Kaur. A classy defender with a devastating penalty corner drag-flick, Gurjit Kaur was instrumental in India women's superb fourth place finish at the Olympic Games Tokyo 2020. Named FIH Player of the Year for 2021, she has scored 86 goals in 134 appearances for her country.

Notable honours: 4x Olympic gold medallists (1984, 2008, 2012, 2021), 9x World Cup winners (1974, 1978, 1983, 1986, 1990, 2006, 2014, 2018, 2022), 3x FIH Hockey Pro League champions (2019, 2020-21, 2022-23), 2x Hockey World League champions (2012-14, 2016-17), 7x Champions Trophy winners (1987, 2000, 2004, 2005, 2007, 2011, 2018), 12x European champions (1984, 1987, 1995, 1999, 2003, 2005, 2009, 2011, 2017, 2019, 2021, 2023).

About the team: As the reigning Olympic, World, European and FIH Hockey Pro League champions, it comes as little surprise that the Netherlands will be considered as hot favourites for a fourth title in five seasons. They were in sparkling form at the 2023 EuroHockey Championships in Mönchengladbach, Germany, claiming five wins out of five – including an emphatic 7-0 thrashing of England in the semi-finals – to seal their record extending 12th European title and guarantee their participation at the Olympic Games Paris 2024. They are blessed with some of the world's most iconic players including Frederique Matla, Xan de Waard, 2022 FIH Hockey Stars Player of the Year Felice Albers and evergreen attacker Lidewij Welten, one of hockey's all-time greats. Their astounding squad has been strengthened further by legendary midfielder Eva Drummond de Goede, with the two-time FIH Hockey Stars Player of the Year returning to the fold after 12-month break. While head coach Paul van Ass was hardly short of quality, Drummond de Goede's vast experience, winning mindset and phenomenal on-field abilities will be a massive asset as the team builds towards Paris 2024.

This season, the Netherlands will take to the field for FIH Hockey Pro League 'mini-tournaments' in Santiago del Estero (ARG), Bhubaneswar (IND), Rourkela (IND), Utrecht (NED) and Amsterdam (NED).

One to watch: Eva Drummond de Goede. A midfielder with a flawless skillset, Drummond de Goede's ball running, tacking and visionary passes are a joy to behold. Alongside Lidewij Welten, she is a four-time Olympic medallist, winning three golds and one silver. Another medal at Paris 2024 is within the realms of possibility for this true superstar of the global game.

USA

Previous FIH Hockey Pro League placements: 2019: 9th. 2020-21: 9th. 2021-22: 9th. 2022-23: 9th.

Notable honours: Olympic bronze medallists (1984), Hockey World Cup bronze medallists (1994), Hockey Champions Trophy bronze medallists (1995, 2016), Hockey Champions Challenge gold medallists (2014), 2x Pan American Games gold medallists (2011, 2015), 5x Pan American Games silver medallists (1987, 1995, 1999, 2003, 2007, 2023), 2x Pan American Games bronze medallists (1991, 2019), 4x Pan American Cup silver medallists (2001, 2004, 2009, 2013).

About the team: USA return to the FIH Hockey Pro League for a fifth successive season and will be delighted for the opportunity to once again pit themselves against the world's best. A ninth-place finish in the 2022-23 edition of the competition initially meant relegation from the elite Pro League event, being replaced by India, the winners of the FIH Hockey Nations Cup 2022. However, New Zealand's decision to withdraw from the FIH Hockey Pro League proved to be excellent news for the Americans, who keep their spot amongst the participating nations for this season. The team recently claimed silver at the Pan American Games 2023 in Santiago, claiming wins against Trinidad and Tobago, Uruguay and host nation Chile before suffering a painful 2-1 final defeat at the hands of Argentina, just missing out on a ticket to the Olympic Games Paris 2024. The provisional squad named for this season's FIH Hockey Pro League consists largely of players aged between 18 and 25, with 27-year-old team captain Amanda Golini (née Magadan) and 28-year-old midfielder Ashley Hoffman being the only athletes to have surpassed the 100 caps milestone. They are coached by David Passmore, a man with a fine pedigree who gained huge experience with the England and Great Britain set-up before getting heavily involved in Irish hockey over the past decade.

This season, USA will take to the field for FIH Hockey Pro League 'mini-tournaments' in Bhubaneswar (IND), Rourkela (IND), Antwerp (BEL) and London (ENG).

One to watch: Ashley Hoffman. Daughter of 1984 Olympic bronze medallist Brenda Hoffman (née Stauffer), Ashley Hoffman is a high-quality midfielder who is equally comfortable in defence and making a big impact in the attacking lines. At the time of writing, she had played 109 times for her country, scoring 21 goals.

Argentina

Nickname: Los Leones

Previous FIH Hockey Pro League placements: 2019: 5th. 2020-21: 7th. 2021-22: 5th. 2022-23: 8th.

Notable honours: Olympic gold medallists (2016), FIH Men's World Cup bronze medallists (2014), Hockey World League silver medallists (2017), 11x Pan American Games winners (1967, 1971, 1975, 1979, 1991, 1995, 2003, 2011, 2015, 2019, 2023), 4x Pan American Cup winners (2004, 2013, 2017, 2022), FIH Champions Trophy bronze medallists (2008), 3x FIH Champions Challenge 1 winners (2005, 2007, 2012), Sultan Azlan Shah Cup winners (2008).

About the team: The Olympic champions from Rio 2016 are Pan American hockey's most potent force, having been crowned continental champions on 15 separate occasions. Their most recent title success came in November at the Pan American Games 2023 in Santiago, Chile, where Los Leones won all five of their matches, scoring a remarkable 40 goals and conceding just three. Tomas Domene claimed a 14-goal haul in the competition, scoring nine penalty corners and five times from open play. The team sealed their berth at the Olympic Games Paris 2024 with a 3-1 win over host nation Chile, with Lucas Martinez (2) and Agustin Bugallo getting the all-important goals. They will be hoping to bring that excellent form into the men's FIH Hockey Pro League, which kicks off on Argentinean soil when Santiago del Estero welcomes Great Britain and the Netherlands for the first mini-tournament of the season. An eighth-place finish in the 2022-23 edition was far below the expectations of head coach Mario Ronconi, who knows he has a squad capable of mixing it with the very best.

This season, Argentina will take to the field for FIH Hockey Pro League 'mini-tournaments' in Santiago del Estero (ARG), Buenos Aires (ARG), and Antwerp (BEL).

One to watch: Maico Casella. A creative, intelligent attacker capable of scoring spectacular goals. Maico Casella has scored an impressive 90 goals in 118 appearances for Los Leones. At 26 years of age, we can expect that tally to significantly increase over the coming years.

Previous FIH Hockey Pro League placements: 2019: 1st. 2020-21: 2nd. 2022-23: 7th.

Notable honours: Olympic gold medallists (2004) 4x Olympic silver medallists (1968, 1976, 1992, 2021), 5x Olympic bronze medallists (1964, 1996, 2000, 2008, 2012), 3x FIH Men's World Cup winners (1986, 2010, 2014), FIH Hockey Pro League champions (2019), Hockey World League champions (2015, 2017), 15x Champions Trophy winners (1983, 1984, 1985, 1989, 1990, 1993, 1999, 2005, 2008, 2009, 2010, 2011, 2012, 2016, 2018), 7x Commonwealth Games gold medallists (1998, 2002, 2006, 2010, 2014, 2018, 2022), 12x Oceania Cup champions (1999, 2001, 2003, 2005, 2007, 2009, 2011, 2013, 2015, 2017, 2019, 2023).

About the team: By their own very high standards, Australia's seventh place finish in the 2022-23 edition of the FIH Hockey Pro League was something of a disappointment. While an uncharacteristic eight defeats in 16 matches would have been far below the expectations of revered head coach Colin Batch, an emphatic 7-2 thrashing of eventual champions the Netherlands – the team that denied them a bronze medal at the FIH Odisha Hockey Men's World Cup 2023 earlier in the year – in Eindhoven reminded everyone of their extraordinary talents in an inconsistent campaign. In August, the team secured their ticket to the Olympic Games Paris 2024 by winning the 2023 Oceania Cup, claiming a 2-1 series victory over hosts New Zealand in Whangarei. With one win apiece in the opening two games, goals from Ky Willott, Jeremy Hayward and Jack Welch gave the Kookaburras a 3-1 triumph in the decider. It was Australia's 12th continental championship title, one that will give world class talents such as Aran Zelewski, Eddie Ockenden, Blake Govers, Jake Whetton and Tim Brand the chance to surpass the Olympic silver medal achieved at Tokyo 2020 by landing gold in Paris.

This season, Australia will take to the field for FIH Hockey Pro League 'mini-tournaments' in Bhubaneswar (IND), Rourkela (IND), Antwerp (BEL) and London (ENG).

One to watch: Eddie Ockenden. One of hockey's all-time greats, 36-year-old co-captain Ockenden is Australia's record caps holder, being one of just seven players in the history of men's hockey to have made more than 400 international appearances. Equally comfortable in defence or midfield and blessed with composure in the most stressful of situations, Ockenden – a world champion with the Kookaburras both 2010 and 2014 – remains a pivotal figure.

Nickname: The Red Lions

Previous FIH Hockey Pro League placements: 2019: 2nd. 2020-21: 1st. 2021-22: 2nd. 2022-23: 3rd.

Notable honours: FIH Hockey World Cup winners (2018), Olympic gold medallists (2021), Olympic silver medallists (2016), FIH Hockey World Cup silver medallists (2023), Olympic bronze medallists (1920), FIH Hockey Pro League champions (2020-21), 2x FIH Hockey Pro League silver medallists (2019, 2021-22), Hockey World League silver medallists (2015), European champions (2019), 2x European silver medallists (2013, 2017), 3x European bronze medallists (2007, 2021, 2023), 5th place - Olympic Games (2012)

About the team: Belgium's rise from European also-rans to the summit of global hockey has been one of the standout stories of the past two decades. In the past six years the Red Lions have won every major title on offer, including the World Cup (2018), Olympic Games (2021), European Championship (2019) and FIH Hockey Pro League (2020-21). They came within a shoot-out of successfully defending their World title at the FIH Odisha Men's Hockey World Cup 2023, with Germany winning the one-on-ones 5-4 after a thrilling final finished 3-3. Striker Tom Boon was excelled at that event, netting eight times including in the quarter final, semi-final and a 59th minute equaliser in the gold medal game to force the shoot-out. A small measure of revenge was achieved in August 2023 when Belgium defeated Germany to seal bronze at the EuroHockey Championships 2023, with Nelson Onana and Florent van Aubel helping the team to a 2-0 win over the hosts nation in Mönchengladbach. In Vincent Vanasch and Loic Van Doren they have two world class goalkeepers, while Arthur Van Doren, Victor Wegnez, Felix Denayer, Florent Van Aubel, Alexander Hendrickx, Arthur de Sloover and John-John Dohmen – who earlier this year became the world record caps holder, surpassing Dutch legend Teun de Nooijer's mark of 453 – are all extraordinary talents. With masses of experience and world class quality, Belgium will be rightly considered amongst the favourites for the title.

This season, Belgium will take to the field for FIH Hockey Pro League 'mini-tournaments' in Buenos Aires (ARG), Antwerp (BEL), Utrecht (NED) and Amsterdam (NED).

One to watch: Arthur Van Doren. A key figure in the Red Lions team that claimed the Olympic, World, European and FIH Hockey Pro League titles in recent years, defender Arthur Van Doren is a two-time winner of the FIH Player of the Year award and one of the finest players of the modern era.

Nickname: Die Honamas

Previous FIH Hockey Pro League placements: 2019: 6th. 2020-21: 3rd, 2021-22: 4th. 2022-23: 6th.

Notable honours: 4x Olympic gold medallists (1972, 1992, 2008, 2012), 3x FIH Men's World Cup winners (2002, 2006, 2023), 9x Champions Trophy winners (1986, 1987, 1988, 1991, 1992, 1995, 1997, 2001, 2007, 2014), 8x European champions (1970, 1978, 1991, 1995, 1999, 2003, 2011, 2013)

About the team: With four Olympic gold medals, three World Cup wins and eight European titles, Germany have an enviable history in international hockey. Tactically astute and technically superb, Die Honamas have a habit of hitting form ahead of Olympic Games and World Cups, a fact proven by their sensational triumph at the FIH Odisha Hockey Men's World Cup 2023. Their performances in Bhubaneswar and Rourkela were hugely impressive, emerging unbeaten from a pool containing 2018 world champions Belgium as well as Japan and Korea before producing a string of brilliant performances in the knock-out stages. Their semi-final clash against Oceania giants Australia will live long in the memory, as penalty corner weapon Gonzalo Peillat and rapid attacker Niklas Wellen scored twice in the final 90 seconds give Germany a stunning 4-3 triumph. Wellen and Peillat – the man who fired Argentina to Olympic gold at Rio 2016 – were again on target in the gold medal match against Belgium, as the two European giants played out a wonderful 3-3 draw before Germany snatched their third World Cup crown in a drama-filled shoot-out. Wellen and Peillat are far from being the only superstars in the Germany squad, with brilliant attacker Christopher Rühr, captain Mats Grambusch and goalkeeper Alexander Stadler – who was nominated for Best Goalkeeper prize in the FIH Hockey Stars Awards for 2022 – just a handful of the world class players they have at their disposal.

This season, Germany will take to the field for FIH Hockey Pro League 'mini-tournaments' in Buenos Aires (ARG), London (ENG), Utrecht (NED) and Amsterdam (NED).

One to watch: Niklas Wellen. A striker blessed with frightening pace and a clinical eye for goal, Niklas Wellen played a starring role in Germany's glorious title success at the FIH Odisha Hockey Men's World Cup 2023, netting seven times in Bhubaneswar to be named Odisha Best Player. Shortlisted for the FIH Hockey Stars Player of the Year award in 2022, Wellen has scored 105 goals in 190 international appearances for his country.

Great Britain

Previous FIH Hockey Pro League placements: 2019: 4th. 2020-21: 6th. 2022-23: 2nd.

Notable honours: 2x Olympic gold medallists (1920, 1988), Olympic silver medallists (1948), 2x Olympic bronze medallists (1952, 1984), FIH Pro League silver medallists (2022-23), FIH Champions Trophy silver medallists (1985), 2x FIH Champions Trophy bronze medallists (1978, 1984)

About the team: Following a superb second place finish in the 2022-23 edition, Great Britain will enter the 2023-24 FIH Hockey Pro League in confident mood. GB were outstanding throughout last season's campaign, claiming a 32-point haul that included eight outright wins, three winning draws and just three defeats. They recorded notable victories over competition winners the Netherlands, Australia, New Zealand, India, Belgium, Spain, and newly crowned world champions Germany. Strikers Sam Ward and Nick Bandurak were hugely impressive in front of goal, netting 11 and 12 goals respectively. Both players also made crucial contributions at the EuroHockey Championships 2023, inspiring England to their best highest continental championship finish since winning the event in 2009. While the majority of Great Britain's squad is made up by England players, the cream of the Wales and Scotland sides are also fighting for places as they build towards the Olympic Games Paris 2024. Wales duo Rupert Shipperley and Jacob Draper are both in the running for selection, as is 31-year-old striker Alan Forsyth, who has scored a combined 171 international goals in 211 appearances for Scotland and Great Britain. The team is coached by vastly experienced South African Paul Revington, who has held coaching roles with South Africa men, Malaysia men as well as two spells with the England and GB set-up. Fit, fearless and very talented, Great Britain can compete with the very best teams in the world.

This season, Great Britain will take to the field for FIH Hockey Pro League 'mini-tournaments' in Santiago del Estero (ARG), London (ENG), Utrecht (NED) and Amsterdam (NED).

One to watch: Zach Wallace. Nominated for the 2019 FIH Rising Star of the Year Award, Zach Wallace has established himself as a world class player who can have an impact in almost any position. The 24-year-old, who currently plays for Dutch club giants H.C. Bloemendaal, is an extraordinary talent capable of scoring outrageous goals, as proven by his stunning, Poligras Magic Skill 2023 Award-winning strike against New Zealand in last year's Pro League competition.

Previous FIH Hockey Pro League placements: 2019: DNP. 2020-21: 4th. 2021-22: 3rd. 2022-23: 4th.

Notable honours: 8x Olympic gold medallists (1928, 1932, 1936, 1948, 1952, 1956, 1964, 1980), Olympic silver medallists (1960), 3x Olympic bronze medallists (1968, 1972, 2021), FIH Men's World Cup champions (1975), 4x Asian Games champions (1966, 1998, 2014, 2022), 2x Asia Cup champions (2003, 2007). 2x Champions Trophy silver medallists (2016, 2018), 3rd Place: Hockey Pro League (2021-22), Hockey World League bronze medallists (2015, 2017).

About the team: After years of sliding down the FIH World Rankings which culminated in failure to qualify for the Olympic Games Beijing 2008 – a competition that they had won a record eight times – India are back at the top table of the global game. A bronze medal at the delayed Olympic Games Tokyo 2020 was a landmark moment for the team, following it with a third-place finish in the 2021-22 edition of the FIH Hockey Pro League. While a ninth-place finish on home soil at the Odisha Hockey Men's World Cup 2023 was certainly far below expectations, India bounced back by taking fourth place in the 2022-23 FIH Hockey Pro League season before storming to glory at the recent Asian Games competition in Hangzhou, China, guaranteeing their participation in the Olympic Games Paris 2024. India were 5-1 winners in the competition final against Japan, with team captain Harmanpreet Singh scoring twice. Harmanpreet is very much India's star man, being a fabulous defender and one of the best drag flickers in the game. However, he is far from being their only exceptional talent, with two-time FIH Hockey Stars Goalkeeper of the Year PR Sreejesh, midfield ace Manpreet Singh and striker Mandeep Singh all capable of game-changing moments.

This season, India will take to the field for FIH Hockey Pro League 'mini-tournaments' on home soil in Bhubaneswar (IND) and Rourkela (IND) as well as Antwerp (BEL) and London (ENG).

One to watch: Harmanpreet Singh. India's drag-flicking defender is a proven match winner who, at Tokyo 2020, played a crucial role in helping his team back onto the Olympic podium after an absence of 41 years. Named FIH Player of the Year both 2021 and 2022, Harmanpreet has also topped the FIH Hockey Pro League goal-scoring charts for the past two seasons, netting 18 times in 2021-22 and 16 in 2022-23.

Ireland

Nickname: The Green Machine

Previous FIH Hockey Pro League placements: Debutants

Notable honours: Olympic silver medallists (1908), European bronze medallists (2015), 10th Place – Rio 2016 Olympic Games, 12th Place – FIH Men's World Cup (1978, 1990), FIH Hockey Nations Cup silver medallists (2022), EuroHockey Championship II gold medallists (2005, 2009, 2023)

About the team: Having finished second to host nation South Africa at the FIH Hockey Nations Cup 2022, it seems that Ireland's dreams of competing in this season's FIH Hockey Pro League had been extinguished. The home favourites took a 4-3 victory over the Green Machine in the competition final, gaining promotion to the 2023-24 FIH Pro League competition. However, South Africa's decision to decline their Pro League ticket proved to be wonderful news for the Nations Cup runners up, who gladly accepted the invitation to pit themselves against the very best teams on the planet. Ireland will be greatly looking forward to showcasing their abilities this season, especially after their title winning performance at July's EuroHockey Championship II on home turf in Dublin. Penalty corner expert Lee Cole scored nine times in five matches to help his team secure promotion back to the elite level EuroHockey Championship in 2025, with team captain Sean Murray and David Harte – who was named FIH Hockey Stars Goalkeeper of the Year in both 2015 and 2016 - being named as the tournament's Best Player and Best Goalkeeper respectively.

This season, Ireland will take to the field for FIH Hockey Pro League 'mini-tournaments' in Bhubaneswar (IND), Rourkela (IND), Antwerp (BEL) and London (ENG).

One to watch: Shane O'Donoghue. Having made over 200 international appearances and scored more than 100 goals, midfield dynamo Shane O'Donoghue has long been one of the Green Machine's most consistently outstanding performers. Nominated for FIH Rising Star Award in 2015, O'Donoghue scored five times in five matches to help Ireland to a second place finish at the FIH Hockey Nations Cup South Africa 2022, a result which ultimately secured a berth in the season five of the FIH Hockey Pro League.

There were also impressive individual performances from outstanding attacking midfielder Jorrit Croon, striker Koen Beins and team captain Thierry Brinkman, a player who has fully embraced the leadership responsibilities given to him by coach Delmee.

2023/24

Nickname: The Red Sticks

Previous FIH Hockey Pro League placements: 2019: 7th. 2020-21: 9th. 2021-22: 7th, 2022-23: 5th.

Notable honours: 3x Olympic silver medallists (1980, 1996, 2008), 2x FIH Men's World Cup silver medallists (1971, 1998), 2x European champions (1974, 2005), European silver medallists (2003, 2007, 2019), FIH Champions Trophy winners (2004), FIH Champions Challenge 1 winners (2003).

About the team: Known for their flair, skill, and attacking prowess, the Red Sticks men are one of the most talented and unpredictable teams out there, having proven on countless occasions that, on their day, they can mix it with the very best teams in the world. As well as having rare talents such as electrifying attacker Enrique Gonzalez, classy captain Marc Miralles and experienced midfielder Alvaro Iglesias, they are also blessed with a highly respected head coach in Max Caldas, who enjoyed terrific success with the Netherlands women and men, guiding the former to World Cup and Olympic glory and the latter to two European Championship titles. Spain's 2022-23 FIH Hockey Pro League campaign was their most successful to date, securing a fifth-place finish and recording some eye-catching results including wins against India, Argentina and Great Britain as well as double victories over Olympic silver medallists Australia and 2023 World champions Germany. A disappointing sixth-place finish at August's EuroHockey Championships 2023 aside, there are clear signs that Spain are thriving under coach Caldas and will be fiercely competitive in this year's FIH Hockey Pro League.

This season, Spain will take to the field for FIH Hockey Pro League 'mini-tournaments' in Bhubaneswar (IND), Rourkela (IND), Antwerp (BEL) and London (ENG).

One to watch: Marc Miralles. 26-year-old Marc Miralles is wonderfully gifted midfielder who has embraced the responsibility that came with being named Red Sticks captain in 2022. At the time of writing, Miralles is two matches away from a century of international appearances, having scored 32 times for his country.
