- 17.11 Notwithstanding the test set out in Article 17.5, the decision of the Appeal Jury shall be based on the balance of probabilities (more likely than not).
- 17.12 An Appeal Jury has the power:
- a to allow or dismiss the appeal;
 - b to vary the decision of the Technical Delegate;
 - c to increase, decrease, remit or otherwise vary any penalty included in the decision of the Technical Delegate;

- 17.14 At events where an FIH Representative has not been appointed, any appeal against a decision of a Technical Delegate must be communicated to the FIH Director General, who will refer it to the FIH Disciplinary Commissioner. The procedures in articles 15.10, 17.3 and 17.4 must be followed. As it may not be possible for the FIH Disciplinary Commissioner to reach a decision on any appeal within the timeframe in article 17.9, any decision of the Technical Delegate will stand until the FIH Disciplinary Commissioner has considered the appeal.

18 ANTI - DOPING

- 18.1 As a pre-condition of their participation in specified FIH International Events, all players must have undertaken an Anti-Doping education program prior to the commencement of the FIH International Event (if not completed within the preceding 24 months). - 18.3 All matches are subject to Anti-Doping tests as the FIH may direct.
- 18.4 Team Managers will be advised about Anti-Doping test procedures at the Event Briefing meeting.

- 18.6 A player selected for an Anti-Doping test may not take a shower, bath, ice-bath or similar before providing a urine / blood sample which meets the requirements in the International Standard for Testing.

19 UNFORESEEN EVENTS

- 19.2 If any team affected by a decision of the Technical Delegate under article 19.1 wishes to protest, it may do so following the procedures set out in Regulation 15.
- 19.3 If circumstances in relation to a wider event matter arise which are not provided for in these Regulations, the FIH Director General or his designee will determine any actions and follow the FIH Crisis Communications procedure as appropriate.

 - three points to the winner;
 - one point to each team, in the event of a draw;
 - no points to the loser.
- 2 In each pool, teams will be ranked according to the number of points each has accumulated in the competition.
 - a If at the end of the pool matches two or more teams have the same number of points for any place in a pool, these teams will be ranked according to their respective number of matches won.
 - b Should there still remain equality among two teams, then the result of the match played between those teams will determine the ranking of the tied teams.
 - c If more than two teams are involved, then a ranking based upon the results of the matches among (only) them shall determine their respective position, based upon the points awarded in accordance with Article 1 of this appendix. If there remains equality, then the teams involved shall be ranked according to Articles 2.a, b, c, and d of this Appendix.

- 3.3 The classification matches for 5th to 8th places will be as follows although the matches will not necessarily be played in this order:

Loser Match 1	v	Loser Match 2

- 3.4 The score at the end of the regulation time of these matches will be registered by the FIH as the result of the match.
- 3.5 If at the end of the regulation time the result is a draw, in order to establish an outright winner of a classification match for the purpose of the competition, a shoot-out competition as specified in the Rules of Para Hockey (Hockey ID) will be played to establish the winner of the match.

APPENDIX 4

SHOOT-OUT COMPETITION

4. The Technical Delegate will specify the method of timing shoot-outs taking account of the facilities available and the need to control time accurately.

- 1.2 The *Code of Conduct* aims to promote the highest standard of behaviour and conduct in the administration, coaching and playing of hockey and is an effective means to deter any *Participant* from conducting themselves improperly both on and off the field-of-play or in a manner that is contrary to the spirit of hockey.
- 1.3 Unless otherwise indicated, words in italicised text in the *Code of Conduct* are defined terms and their definitions are set out in Article 3.
- 1.4 All *Participants* are automatically bound by and required to comply with all of the provisions of the *Code of Conduct*. Accordingly, by their participation in a *Match* or an *International Event*, such *Participant* shall be deemed to have agreed that it is their personal responsibility to familiarise themselves with all of the requirements of the *Code of Conduct*, including what conduct constitutes an offence under the *Code of Conduct*.
- 1.5 The *National Association* of each participating team is responsible for informing and educating *Participants* about the *Code of Conduct*. *National Associations* shall share liability with *Participants* should breaches of the *Code of Conduct* occur.
- 1.6 All *Participants* are bound by the *Code of Conduct* at all times and shall continue to be bound by and required to comply with the *Code of Conduct* until they have not participated in an *International Event* during the *Applicability Period*. Breaches of the *Code of Conduct* by FIH Representatives and staff shall be dealt with in accordance with the FIH Staff Procedures.
- 1.8 Further information about the application of the *Code of Conduct*, appeal process, Guidelines on Sanctions and the Process for Hearing and Determining Any Reported Offence is contained in FIH Tournament Regulations.

FIH CODE OF CONDUCT – GUIDELINES TO TECHNICAL DELEGATES ON PROCESS FOR HEARING AND DETERMINING ANY REPORTED OFFENCE

1 THE REPORT

All reports of any offence against the FIH Code of Conduct shall be made to the Technical Delegate.

The Technical Delegate is to determine the level of the offence.

A report can be received by the Technical Delegate from any person but if received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must exercise discretion as to whether to accept such a report. That discretion is to be exercised taking into account the seriousness of the reported behaviour and the reason for the delay in making the report.

2 PRINCIPLES OF NATURAL JUSTICE

The principles of natural justice apply in the following way.

The Technical Delegate will advise the Team Manager of

- the fact of the report of an offence;
- the identity of the team member(s) reported;
- the level of the offence;
- the time and place of the hearing;
- details of the conduct and the mode of proof of it;
- if the report was received later than 24 hours after the occurrence of the conduct said to constitute the offence the Technical Delegate must state the reasons for the exercise of the discretion to accept the report. No appeal from the exercise of that discretion is available.

3 THE HEARING

The hearing must be attended by the person the subject of the report and one representative if they desire (in addition the person the subject of the charge may be assisted by an interpreter).

The Technical Delegate must outline the evidence relied on to support the report including showing any video footage.

The team member is to be asked for their response to the report, ie do they accept the offence as alleged or not. The team member must be permitted to present material as to either or both of the fact of the offence or penalty.

Should the person who is the subject of the report fail to attend the hearing, the hearing shall take place in the absence of that person and the fact of the failure to attend shall be taken into account in the determination of the appropriate penalty in the event that an offence is found to have been committed.

4 THE DECISION

- b the attitude of the team member at the hearing;
- c any penalty already incurred, eg if a card was given during the match the length of time of any suspension served under that card;
- d the seriousness of the offence by comparison with other offences at this level

5 DEFINITION OF THE PENALTY

A clear definition of the penalty will include:

- a the number and type of matches for which the team member is suspended;
- b the date of commencement of the suspension;
- c a statement whether, in the view of the Technical Delegate, any additional period of suspension or other penalty to take effect beyond the conclusion of the tournament should be imposed or may be appropriate; and, if so
