THE INDUSTRY LEADERS

Polytan and AstroTurf, are members of Sport Group, the world's largest business dedicated to sport surfaces. Together we have provided hockey turf at 11 Olympic Games.

With over 50 years experience building sports surfaces, we have the strongest sports surfaces network in Europe, Asia, Australia, The Pacific and The Americas.

Our industry leading surfaces are designed and manufactured in Germany, Australia and the USA, and are chosen by the world's most prestigious events and clubs.

Since 1976, the hockey community has trusted our turfs, our civil construction designs and Olympic-standard installation crews.

WE HAVE PROVIDED HOCKEY, FOOTBALL, TENNIS AND TRACK SURFACES FOR:

- Olympic Games
- FIFA World Cup
- Hockey World Cup
- Asia Games
- SE Asian Games
- Commonwealth Games
- Baseball World Series
- Super Bowl
- US Open
- PANAM Games

CHAMPION TEAM

Poligras is Sport Group's global hockey turf brand. Available from Polytan and AstroTurf it is part of a range of sports surface brands that are trusted and chosen by all sports.

HOCKEY BREAKS FREE

Portable turfs bring new opportunities

Hockey can now pop up anywhere. Whereas once hockey turfs restricted hockey's big events to existing (small) hockey stadiums, now with Big Stadium Hockey technology hockey can go to big venues or unique locations.

SMALL HOCKEY. BIG FUTURE

Lausanne Hockey 5s

A portable Hockey 5s turf was installed by Polytan in Lausanne on the edge of Lake Geneva. The format was thrilling and the location was spectacular. Hockey breaks free.
