

FIH UNIFORM ADVERTISING POLICY

October 2024

1 PURPOSE, SCOPE AND APPLICATION

- 1.1 The International Hockey Federation (*FIH*) is recognised by the International Olympic Committee as the sole ultimate governing body for the sport of *Hockey* throughout the world. *FIH's* purpose is to raise the global status and popularity of hockey. The Uniform Advertising Policy (the *Policy*) is adopted and implemented as part of the *FIH's* strategy to build a recognized powerful image for hockey.
- 1.2 Placing the national and *FIH* identity of athletes at the forefront helps to distinguish *FIH International Events*, whilst respecting the significant contribution that sponsors and sporting goods manufacturers provide.
- 1.3 Unless otherwise indicated, words in italicised text in the *Policy* are defined terms and their definitions are set out in Article 4 of this policy.
- 1.4 All *Participants* are automatically bound by and required to comply with all of the provisions of the *Policy*. Accordingly, by their participation in a *Match* or an *International Event*, such *Participants* shall be deemed to have agreed that it is their personal responsibility to familiarise themselves with all of the requirements of the *Policy* and acknowledge non-compliance with the *Policy* may result in disciplinary action being taken against them.
- 1.5 While this *Policy* sets out general guidelines and minimum requirements *FIH* reserves the right to apply flexibility whenever needed, for the benefit of all parties, and to modify them following consultation with *Participants*.
- 1.6 The *National Association* of each participating team is responsible for informing and educating *Participants* about the *Policy* and ensuring that each *Participant* complies with it.

2 MANUFACTURER IDENTIFICATION

- 2.1 An item of clothing or equipment may display the manufacturer's identification in the form of the name, trademark, logo, or any other distinctive sign of the manufacturer of the item, when worn or used by a player, official or umpire whilst playing or officiating in any event subject to the following limitations.
- 2.2 The display may appear once only on any article of clothing, except on shirts where it may be repeated in the one or two figure(s) of the number(s) on the back of the shirts. Any such display may not exceed the overall size of 30 cm² per article of shirt or shorts / skirt / skorts.
- 2.3 If a National Association chooses to display an additional manufacturer identification on the shirt or short/skirt, this will be counted as one of the 10 (ten) allowed logos per shirt or 2 (two) per short/skort/skirt. This includes sublimated manufacture logos and good cause logos which must be specifically approved by *FIH* and must not alter the overall colour or appearance of the item of clothing.

- 2.6 Authorised identifications may not appear close or adjacent to each other, in order to avoid a composite logo effect or a repetitive effect. This applies also in case of several layers of items worn by the same person or for one-piece body suits.
- 2.7 Where one-piece body suits are used in competition, one identification of the manufacturer shall be permitted above the waist and one below the waist, each to be no larger than the maximum size noted above; however these identifications shall not be placed immediately adjacent to each other.

- c Advertising must conform to all domestic legislation and regulations in force at the venue at which the team is competing. It is the responsibility of the *National Association* of each participating team to ensure compliance.
- d No advertising will be permitted that is deemed by *FIH* to be detrimental to the positive image of the game.
- e Temporary skin tattoos are not permitted as advertising media.

- c Changes to approved advertisements must be approved by *FIH* in the same manner.
- d *FIH* will publish the list of approved advertisements on its official website (www.fih.ch).
