

## SUSTAINABILITY CASE STUDIES

### Uzbekistan's first turf

# Uzbekistan's first turf

## Objectives

1. To provide the first ever top class hockey facility in Uzbekistan
2. Stadium Barkamolavlod to be a catalyst for growth and development of hockey in Uzbekistan, with the emphasis upon youth development and training programmes

## Description

- The first ever AHF Pitch project was granted to Uzbekistan, with a successful completion of the pitch project with the help of Polytan, Uzbekistan Hockey Federation and Andijan Regional Government.
- The stadium facility has been massively upgraded. The government with the help of UzHF built the base of the ground, renovated and installed new infrastructure including changing rooms and hostels.
- The Aim for this stadium is to develop it as a hub for Central Asian Activities, such as international and domestic events, training camps, events and other development activities
- With the completion of such a massive and important project it has allowed the Asian hockey authorities to think beyond and realize Uzbekistan as one of the most important federations and help youth development, training programs and most importantly hockey in the country grow
